Suggestions were made to include:

These items would be on the next Board Meeting agenda for consideration of adoption.

The justification to repeal this ordinance was presented as the salaries were included in the approved budgets and thus no ordinance was needed. It was determined that this item would be on the next Board Meeting agenda for consideration of adoption.

d) Entertainment Agreement

Attorney Samuelson discussed the recommended changes made to the original contract provided by the promoter of the Music Festival. She suggested approval pending the contractor’s sign-off and approval. Items changed were those consistent with standard contracts, including an Indemnification Clause. It was suggested that one-third payment ($17,000) be approved at the next Board Meeting with the remaining being paid by two separate checks once the contract was ratified. A Special meeting was suggested on September 6th to vote on the contract with the pending amendments.

Questions/Comments

The address on the contract was questioned and there was a request for a broader view of the event. Trustee Sapp plans to provide all information pertaining to the event after the next meeting of the planning committee. Overtime for Village Staff was not included in the cost and must be calculated.
