Minutes 01/11/2022
COMMITTEE OF THE WHOLE MEETING
MAYOR AND BOARD OF TRUSTEES OF THE
VILLAGE OF SAUK VILLAGE
THE MUNICIPAL BUILDING
21801 TORRENCE AVENUE
SAUK VILLAGE, ILLINOIS

January 18, 2022 - 7:00 PM

1. **CALL TO ORDER**
   Mayor Burgess called the Committee of the Whole Meeting to order at 7:00 p.m.

2. **Roll Call**
   On Roll Trustees: Bell, Coleman, Grant, Jasinski, Sapp, Williams
   Absent: None

   Others in Attendance: Village Clerk, Marva Campbell-Pruitt, Village Administrator, Wiszowaty,

3. **PRESENTATIONS AND DISCUSSION**

   **Marva Campbell-Pruitt, Village Clerk**
   The Clerk introduced Donna Smith and Jason Smith. They discussed the following and informed the Mayor and Trustees that the purpose of the presentation was to request a consensus to move the appropriate Commission.

   - **Proposed Emergency Shelter For DCFS Wards**
     Donna Smith introduced the team. She provided her experiences and spoke to the operations and needs for an Emergency Shelter. She told of the urgency of the need for such housing as there are few such facilities. She identified one location of interest, a home at 1840 Reichert, which they wish to purchase. If used, the area would need to be re-zoned to R3. If the property at 1800 Luella were considered, there would be no need to re-zone. If required, a consensus was made to refer this to the Zoning Board once the organization was ready to proceed.

   **Joseph Wiszowaty - Village Administrator**
   Introduced the following Class 8 Designations that are up for renewal.

   - **Class 8 Renewal Presentations**
     a. **WINPAK**, represented by Verros Berkshire, Atty. Diamanlopoulis requested a recommendation from the Village to maintain the 10% tax credit. He provided the specifics required to be included in the Resolution
        Trustees questioned how waste products were handled and why so few residents were under employment. In addition, the business would be asked to share employment opportunities. Trustees also asked who prepared the Resolution and noted that the Attorney and firm were excluded and the need to have the Exhibits for review. Accordingly, this item was recommended to advance to the next Board Meeting for adoption consideration.
b. **STAG Sauk Village, LLC** represented by Eugene L. Griffin & Associates, LTD provided information on the nature of the firm’s business and informed the Board they requested support to secure a Class 8 Property Incentive Renewal. He and his associate highlighted the projected improvements and the benefit to the Village with $280,00.00 taxes per year to the taxing entities.

Trustees questioned the number of residents employed and if there were current job openings that could be shared on the Village’s website. That information will be provided later. The exhibits were not included in the Resolution and would need to be provided. This item was recommended to advance to the next Board Meeting for adoption consideration.

• **CMAP Partnership Resource, Opportunity & Impact (ROI)** - Patrick Day spoke on the ROI, a five-month project to partner with CMAP to provide technical assistance. There is a need to develop a work plan and secure an MOU. No local match is involved as 1.6 million dollars is expected for Illinois, and CMAP would facilitate the grant-funded through the federal government and the McArthur Foundation. This item was recommended to advance to the next Board Meeting for adoption consideration if the Resolution was provided.

• **Metropolitan Planning Council** - Water Loss Report presented by Justin Keller, who provided an analysis of the water audit based upon the American Water Works Association’s M36 Methodology. Recommendations for “next steps” for developing a water loss control program were discussed, along with a summary of a Water Loss Plan and recommendations to address the issues. The “next steps” included identifying the targets using field measurements and physical inspections.

The response to the consumption decrease was explained as Bloom moved to the utilization of Lake Michigan water, which resulted in less consumption. Yet, there was no explanation for residential consumption. The net findings were that the Village must stop the loss of water so that the IDNR would approve efforts to assist.

• **Proposed Development and Rezoning Property US 30**, presented by Zafar Sheikh, discussed the development and re-zoning of purchased property. The intent is to build stores on the location, and commercial zoning is required. There was a consensus to refer the request to the ZBA. The Village Administrator requested that it be placed on the Board agenda as they have their inspectors.

• **Renewal of Agreement with Cook County Department of Public Health** The Village Administrator explained the purpose of an annual agreement as the Village does not have inspectors. Therefore, this item was recommended to advance to the next Board Meeting for adoption consideration.
CDBG & MFT Road Project for 2022
Melanie Arnold of Robinson Engineering provided a brief overview of the proposed projects. She spoke of CDBG Funds that allow for the repavement of six streets. CDBG Grant provided $150,000.00, and the Rebuild Illinois authorization is needed. In addition, she requested to be on a February Board Meeting agenda.

Marva Campbell-Pruitt - Vehicle Licenses
The Village Clerk discussed vehicle licenses, and it is time to prepare. It was decided to involve the students and conduct an art contest to determine the winners. First – third place winners would receive a monetary prize, and the first-place winner’s parent would receive a complimentary village sticker. Discussions ensued to:

1. Reverse the Ordinance that allowed for a delay in sales and enforcement. The Deadline would revert to July 1st.
2. Place a notification in the Water Bill
3. Consideration to move to online payments
4. The need to aggressively enforce compliance

PUBLIC COMMENT
- L. Todd reported that Tornado’s has a sign and driveway opened. Neither went before the ZBA; she thanked the VA and IT Consultant for their roles in ensuring proper billing on the garbage bill and asked about mandated vaccinations for employees.
  - Mayor Burgess’ responses
    - The business’ driveway did not come before the Board for approval and would be checked the following day, and the needed actions would be taken.
    - The Village is providing weekly testing services for staff

GENERAL COMMENTS BY TRUSTEES & MAYOR
- Trustee Williams inquired about the business and its zoning requirements. She announced that the Library would provide vaccinations, boosters, and testing each Friday. In addition, a blood drive, vaccinations, and testing would occur at the Senior Center in February.
- Trustee Jasinski announced a Housing Meeting on Thursday at 2:00 p.m.
- Trustee Sapp announced that the Public Services Committee would meet the second Monday in February.
- Trustee Bell announced the cancellation of the Public Safety Committee over the last two months.
- Trustees Grant and Coleman had no comments.
CLOSED SESSION

Trustee Bell moved, and Trustee Coleman seconded a motion to recess to Closed Session at 9:18 p.m.. All Trustees approved.

The Committee of the Whole reconvened and adjourned at 9:39.

      i. Eric Cook from Public Works was presented a plaque and thankfulness
      ii. The DMV has re-opened
      iii. COVID reached its peak. The Village would continue to practice safe practices. All employees must turn in their Vaccination card or submit to weekly testing

   b) **Village Clerk - Marva Campbell-Pruitt reported:**
      i. Shared an experience that meeting packets would be readied on Saturday. There was no paper available for preparation. Requested that the copier be filled. The Village must be mindful that the three entities may not engage in expense sharing. Budgets and expense sharing is not a sanctioned activity and could present as an audit finding
      Comment: The program, for which the paper was used was because the Village is in partnership with the entity. It was noted that the Village is charged for each copy printed. It was reported that the library provided
the paper. A request was made to ensure the availability of paper at all
times.
