13) Comments from the Mayor and Board of Trustees

a) Trustee Williams commented that Trustees work for the residents and they were uncomfortable with some proceedings. She does not know where the Village stood with the development of a budget; the initial termination of the DOO was not consistent with the ordinance; concern for where the $78,000 should be a concern; she apologized for the Special Meetings and the need for two Attorney firms.

b) Trustee Sapp asked a rhetorical question concerning a couple purchasing a car and how it equaled the Boards reactions.

c) Trustees Johnson and Carter had no comment

d) Trustee Burns expressed that Trustees had the right to call Special Meetings, but the recent Call Meeting was postponed because of discrepancies/unrest with the seventy-hour notice requirement. She spoke on the air strippers; need for the audit; alleged bounced checks; the status of the CD; and that the Village’s credit is shot, thus, it can’t get grants.

e) Trustee Coleman read the Civility Pledge presented by IML and appealed to all to respect each other.

f) Mayor Burgess asked that accurate statements regarding the Village affairs is crucial as the Village status is in the black and the credit rating is A-; there is on-going investigations surrounding missing funds; the baseball team and banquet was mentioned; and he explained that air strippers were placed in 2010 and are tested every month; regarding the CD, he stated that the departments may have utilized a portion of the funds, but the rest are set a part.
