

VERLON W. BRASELTON MEMORIAL FOUNDATION CIVIL ENGINEERING SCHOLARSHIPS

The Verlon W. Braselton Memorial Foundation offers scholarships to full-time undergraduate students pursuing college, university or technical educations primarily in the field of civil engineering. Applicants' primary residence should be within 50 miles of a Robinson Engineering office. We have offices in South Holland, Frankfort, McHenry, Itasca, Ottawa, Kankakee, and Champaign, Illinois, as well as Merrillville, Indiana. Applicants need to have completed a minimum of 25 credit hours.

The Verlon W. Braselton Memorial Foundation is a not-for-profit corporation formed in 1983 as the Robinson Foundation by the principals of Robinson Engineering, Ltd., Consulting Registered Professional Engineers and Land Surveyors, of South Holland, Illinois, to assist students seeking careers in civil engineering. The Foundation's name was changed in 1985 to honor our past Chairman of the Board.
