Dear Residents:

**Re: Annual Licenses and Registration Information**

As a result of the current health crises, and the Governor’s extended, “Stay at Home Executive Order,” Village Hall is not open to the public until at least June 1, 2020. You may ask, how do I take care of my annual obligations to meet the letter of the law concerning car registrations and animal tags? Please continue to read.

**Annual Vehicle Stickers** are to be displayed as they usually are July 1, 2020. That means to comply; the sticker must be purchased by June 30, 2020. If we re-open June 1, 2020, that will provide thirty (30) days to make your purchase(s). If the Governor extends the Stay at Home Order, we will extend the deadline for the purchase and display. There will be no penalties stemming from the delay based on the Governor’s orders. **There are no increased fees.**

**Animal Tags and Registration** has been delayed until July 1, 2020. More details on your access for purchase are forthcoming.
