ORDINANCE NUMBER 19-003

AN ORDINANCE OF THE VILLAGE OF SAUK VILLAGE, COOK AND WILL COUNTIES, ILLINOIS AMENDING CHAPTER 18 (BUSINESS AND BUSINESS REGULATIONS) BY ADDING ARTICLE XIX, ENTITLED "REGISTRATION OF DEFAULTED MORTGAGE AND VACANT PROPERTY"

WHEREAS, the Village President and Board of Trustees desires to protect the public health, safety, and welfare of the citizens of the incorporated area of Sauk Village and maintain a high quality of life for the citizens of the Village through the maintenance of structures and properties in the Village; and

WHEREAS, the Village President and Board of Trustees recognizes properties with defaulted mortgages and subject to foreclosure action or foreclosed upon and vacant properties (hereinafter referred to as "Registrable Properties") located throughout the Village lead to a decline in community and property value; create nuisances; lead to a general decrease in neighborhood and community aesthetic; create conditions that invite criminal activity; and foster an unsafe and unhealthy environment; and

WHEREAS, the Village President and Board of Trustees has already adopted property maintenance codes to regulate building standards for the exterior of structures and the condition of the property as a whole; and

WHEREAS, the Village President and Board of Trustees recognizes in the best interest of the public health, safety, and welfare a more regulated method is needed to discourage Registrable Property Owners and Mortgagees from allowing their properties to be abandoned, neglected or left unsupervised; and

WHEREAS, the Village President and Board of Trustees has a vested interest in protecting neighborhoods against decay caused by Registrable Property and concludes that it is in the best interests of the health, safety, and welfare of its citizens and residents to impose registration requirements of Registrable Property located within the Village to discourage Registrable Property Owners and Mortgagees from allowing their properties to be abandoned, neglected or left unsupervised.

NOW THEREFORE, BE IT ORDAINED by the Village President and Board of Trustees of the Village of Sauk Village as follows:

The Board finds that the implementation of the following changes and additions will assist the Village in protecting neighborhoods from the negative impact and conditions that occur as a
result of vacancy, absentee ownership, and lack of compliance with existing municipal regulations and laws.

SECTION 1: That the foregoing “WHEREAS” clauses are hereby ratified and confirmed as being true and correct and are hereby made a specific part of this Ordinance upon the adoption hereof.

SECTION 2: That the Board does hereby amend the Village of Sauk Village Code of Ordinances by amending Chapter 18, entitled “Business and Business Regulations”, by adding Article XIX, entitled “Registration of Defaulted Mortgage and Vacant Property” which shall read as follows:

CHAPTER 18 – BUSINESS AND BUSINESS REGULATIONS

ARTICLE XIX - REGISTRATION OF DEFAULTED MORTGAGE AND VACANT PROPERTY

Sec. 18-1130.-PURPOSE AND INTENT.

It is the purpose and intent of the Board to establish a process to address the deterioration, crime, and decline in value of Village neighborhoods caused by property with defaulted mortgages located within the Village, and to identify, regulate, limit and reduce the number of these properties located within the Village. It has been determined that Owner-occupied structures are generally better maintained when compared to vacant structures, even with a diligent off-site property Owner. Vacant structures or structures owned by individuals who are economically strained and unable to meet their mortgage obligations are often not properly or diligently maintained, which contribute to blight, declined property values, and have a negative impact on social perception of the residential areas where they are located. It is the Board’s further intent to establish a registration program as a mechanism to help protect neighborhoods from becoming blighted through the lack of adequate maintenance of properties that are in Default or Defaulted, and to provide a mechanism to avert foreclosure actions through timely intervention, education, or counseling of property Owners.

Sec. 18-1130.1-DEFINITIONS.

The following words, terms, and phrases, when used in this chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning.

Default shall mean that the mortgagor has not complied with the terms of the mortgage on the property, or the promissory note, or other evidence of the debt, referred to in the mortgage.

Enforcement Officer shall mean any law enforcement officer, building official, zoning inspector, code enforcement officer, fire inspector, building inspector, or other person authorized by the Village to enforce the applicable code(s).
Evidence of Vacancy shall mean any condition that on its own, or combined with other conditions present, would lead a reasonable person to believe that the property is vacant. Such conditions may include, but are not limited to: overgrown and/or dead vegetation; past due Utility notices and/or disconnected Utilities; accumulation of trash junk or debris; abandoned vehicles, auto parts and/or materials; the absence of furnishings and/or personal items consistent with habitation or occupancy; the presence of an unsanitary, stagnant swimming pool; the accumulation of newspapers, circulars, flyers and/or mail; statements by neighbors, passers-by, delivery agents or government agents; and/or the presence of boards over doors, windows or other openings in violation of applicable code.

Foreclosure or Foreclosure Action shall mean the legal process by which a Mortgagee, or other lien holder, terminates or attempts to terminate a property Owner's equitable right of redemption to obtain legal and equitable title to the Real Property pledged as security for a debt or the Real Property subject to the lien. The legal process is not concluded until the property obtained by the Mortgagee, lien holder, or their designee, by certificate of title, or any other means, is sold to a non-related bona fide purchaser in an arm's length transaction to satisfy the debt or lien.

Mortgagee shall mean the creditor, including but not limited to, trustees; mortgage servicing companies; lenders in a mortgage agreement; any agent, servant, or employee of the creditor; any successor in interest; or any assignee of the creditor's rights, interests or obligations under the mortgage agreement; or any other person or entity with the legal right to foreclose on the Real Property, excluding governmental entities.

Owner shall mean every person, entity, or Mortgagee, who alone or severally with others, has legal or equitable title to any Real Property as defined by this Chapter; has legal care, charge, or control of any such property; is in possession or control of any such property; and/or is vested with possession or control of any such property. The Property Manager shall not be considered the Owner.

Property Manager shall mean any party designated by the Owner as responsible for inspecting, maintaining and securing the property as required in this Chapter.

Real Property shall mean any residential or commercial land and/or buildings, leasehold improvements and anything affixed to the land, or portion thereof identified by a property parcel identification number, located in the Village limits.

Registrable Property shall mean:

(a) Any Real Property located in the Village, whether vacant or occupied, that is encumbered by a mortgage in Default, is subject to an ongoing Foreclosure Action by the Mortgagee or Trustee, has been the subject of a Foreclosure Action by a Mortgagee or Trustee and aJudgement has been entered, or has been the subject of a Foreclosure sale where the title was transferred to the beneficiary of a mortgage involved in the Foreclosure and any
properties transferred under a deed in lieu of foreclosure/sale. The designation of a “default/foreclosure” property as “registrable” shall remain in place until such time as the property is sold to a non-related bona fide purchaser in an arm’s length transaction or the Foreclosure Action has been dismissed and any Default on the mortgage has been cured; or

(b) Any property that is vacant for more than thirty (30) days or any cancellation of Utility or Service, whichever occurs first.

Registry shall mean a web-based electronic database of searchable Real Property records, used by the Village to allow Mortgagees and Owners the opportunity to register properties and pay applicable fees as required in this Chapter.

Semi-Annual Registration shall mean six (6) months from the date of the first action that requires registration, as determined by the Village, or its designee, and every subsequent six (6) months. The date of the initial registration may be different than the date of the first action that required registration.

Utilities and Services shall mean any utility and/or service that is essential for a building to be habitable and/or perform a service necessary to comply with all Village codes. This includes, but is not limited to, electrical, gas, water, sewer, lawn maintenance, pool maintenance, and snow removal.

Vacant shall mean any parcel of land in the Village that contains any building or structure that is not lawfully occupied.

Sec. 18-1130.2-APPLICABILITY AND JURISDICTION.

This Chapter applies to Defaulted and Vacant property within the Village.

Sec. 18-1130.3-ESTABLISHMENT OF A REGISTRY.

Pursuant to the provisions of this chapter, the Village, or its designee, shall establish a registry cataloging each Registrable Property within the Village, containing the information required by this Chapter.

Sec. 18-1130.4-INSPECTION AND REGISTRATION OF DEFAULTED MORTGAGE.

(a) Any Mortgagee who holds a mortgage on Real Property located within the Village shall perform an inspection of the property upon it being in Default or Defaulted by the mortgagor or prior to the issuance of a notice of Default.

(b) Property inspected pursuant to subsection (a) above that remains in Default or Defaulted, shall be inspected every thirty (30) days by the Mortgagee or Mortgagee’s designee. If an
inspection shows a change in the property's occupancy status the Mortgagee shall, within ten (10) days of that inspection, update the occupancy status of the property registration.

(c) Within ten (10) days of the date any Mortgagee declares its mortgage to be in Default or Defaulted, the Mortgagee shall register the Real Property with the Village Registry, and, at the time of registration, indicate whether the property is Vacant, and if so shall designate in writing a Property Manager to inspect, maintain and secure the Real Property subject to the mortgage in Default or Defaulted. Said fees shall be used to offset the costs of: (1) registration and registration enforcement, (2) code enforcement and mitigation related to Defaulted properties, (3) post-closing counseling and Foreclosure intervention limited to Owner-occupied persons in Default, which may not include cash and mortgage modification assistance, and (4) for any related purposes as may be adopted in the policy set forth in this Chapter. Properties registered less than twelve (12) months prior to the Effective Date shall renew the registration every six (6) months from the expiration of the original registration renewal date and shall pay the three hundred fifty dollars ($350.00) Semi-Annual Registration Fee.

(g) If the Defaulted mortgage and/or servicing on a property is sold or transferred, the new Mortgagee is subject to all the terms of this Chapter. Within ten (10) days of the transfer, the new Mortgagee shall register the property or update the existing registration. The previous Mortgagee(s) will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that Mortgagee’s involvement with the Defaulted Property.
(h) If the Mortgagee sells or transfers the Defaulted Property in a non-arm's length transaction to a related entity or person, the transferee is subject to all the terms of this Chapter. Within ten (10) days of the transfer, the transferee shall register the property or update the existing registration. Any and all previous unpaid fees, fines, and penalties, regardless of who the Mortgagee was at the time registration was required, including but not limited to unregistered periods during the Foreclosure process, are the responsibility of the transferee and are due and payable with the updated registration. The previous Mortgagee will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that Mortgagee's involvement with the Defaulted Property.

(i) If the Defaulted Property is not registered, or the registration fee is not paid within thirty (30) days of when the registration or renewal is required pursuant to this section, a late fee equivalent to ten percent (10%) of the Semi-Annual Registration fee shall be charged for every thirty-day period (30), or portion thereof, the property is not registered and shall be due and payable with the registration.

(k) Properties subject to this section shall remain subject to the Semi-Annual Registration requirement, and the inspection, security, and maintenance standards of this section as long as the property remains Defaulted.

(l) Failure of the Mortgagee and/or property Owner of record to properly register or to modify the registration to reflect a change of circumstances as required by this ordinance is a violation of this Chapter and shall be subject to enforcement by any of the enforcement means available to the Village.

(m) If any property is in violation of this Chapter the Village may take the necessary action to ensure compliance with and/or place a lien on the property for the cost of the outstanding obligation and any additional cost incurred to the property into compliance.

Sec. 18-1130.5-INSPECTION AND REGISTRATION OF REAL PROPERTY THAT IS NOT SUBJECT TO A MORTGAGE IN DEFAULT.

(a) Any Owner of Vacant property located within the Village shall within ten (10) days after the property becomes Vacant, or within ten (10) days after assuming ownership of the property, whichever is later, register the Real Property with the Village Registry.

(b) Initial registration pursuant to this section shall contain at a minimum the name of the Owner, the mailing address of the Owner, e-mail address, and telephone number of the
Owner, and if applicable, the name and telephone number of the Property Manager and said person’s address, e-mail address, and telephone number.

(c) At the time of initial registration each registrant shall pay a non-refundable Semi-Annual Registration fee of three hundred fifty dollars ($350.00) for each Vacant property. Subsequent Semi-Annual Registrations of Vacant properties and fees in the amount of three hundred fifty dollars ($350.00) are due within ten (10) days of the expiration of the previous registration. Said fees shall be used to offset the costs of: (1) registration and registration enforcement, (2) code enforcement and mitigation related to Vacant properties, and (3) for any related purposes as may be adopted in the policy set forth in this Chapter. Said fees shall be deposited to a special account in the Village’s Department dedicated to the cost of implementation and enforcement of this Ordinance, and fulfilling the purpose and intent of this Chapter.

(d) Each individual property on the Registry that has been registered for twelve (12) months or more prior to the Effective Date shall have thirty (30) days to renew the registration and pay the three hundred fifty dollars ($350.00) Semi-Annual Registration fee. Properties registered less than twelve (12) months prior to the Effective Date shall renew the registration every six (6) months from the expiration of the original registration renewal date and shall pay the three hundred fifty dollars ($350.00).

(e) If the property is sold or transferred, the new Owner is subject to all the terms of this Chapter. Within ten (10) days of the transfer, the new Owner shall register the Vacant property or update the existing registration. The previous Owner(s) will not be released from the responsibility of paying all previous unpaid fees, fines, and penalties accrued during that Owner’s involvement with the Vacant property.

(f) If the Vacant property is not registered, or either the registration fee or the Semi-Annual Registration fee is not paid within thirty (30) days of when the registration or Semi-Annual Registration is required pursuant to this section, a late fee shall be equivalent to ten percent (10%) of the Semi-Annual Registration fee shall be charged for every thirty (30) day-period, or portion thereof, the property is not registered and shall be due and payable with the registration. This section shall apply to the initial registration and registrations required by subsequent Owners of the Vacant property.

2. The total amount of permitted wall sign in table 58-3 of this section includes all permanent window signs. Permanent window signs are subject to the following:
   a. Permanent window signs affixed to or painted on the inside of a window may occupy no more than 25 percent of the surface of each window area. Window area is counted as a continuous surface until divided by an architectural or structural...
element. Mullions are not considered an element that divides window area (see figure 58-3 in section 58-30).

(5) No wall sign affixed to a building, including sign support structure, may project beyond the ends or top of the wall to which it is attached. On existing buildings, a parapet wall must not be constructed for the sole purpose of increasing the allowable height of a wall sign. For new buildings, when a sign is to be mounted on a parapet wall, that parapet wall must be consistent with the architectural design of the building, including building materials.

(6) Gooseneck reflectors are permitted on all wall signs, provided that the reflectors concentrate the illumination upon the sign face only.

(7) Within a multitenant strip commercial development, all wall signs must be located at a generally uniform height on the building wall.

AN ORDINANCE PROVIDING FOR THE ISSUANCE OF GENERAL OBLIGATION REFUNDING BONDS (ALTERNATE REVENUE SOURCE), IN ONE OR MORE SERIES, OF THE VILLAGE OF SAUK VILLAGE, COOK COUNTY, ILLINOIS, IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED $15,900,000, FOR THE PURPOSE OF REFUNDING CERTAIN OUTSTANDING OBLIGATIONS OF THE VILLAGE, AND PAYING COSTS OF ISSUANCE OF THE BONDS

WHEREAS by proceedings spread in full upon the records of the Village of Sauk Village, Cook County, Illinois (the “Village”) pursuant to the provisions of the Tax Increment Allocation Redevelopment Act of the State of Illinois, 65 ILCS 5/11-74.4-1, et seq., as amended (the “Tax Increment Act”), and the Local Government Debt Reform Act of the State of Illinois, 30 ILCS 350/1, et seq., as amended (the “Debt Reform Act”), the Mayor and Board of Trustees (the “Corporate Authorities”) have heretofore proceeded, and do hereby determine, as follows:

Providing Certain Amounts of Capitalized Interest on the Series 2002A Bonds; and
(2) Amending the Series 1994A Ordinance, the Series 1997 Ordinance, the Series 1999A Ordinance, the Series 2000 Ordinance and the 2001 Ordinance” (the “Series 2002A and Series 2002B Ordinance”).

F. On March 11, 2003, the Corporate Authorities, after giving all notices required by law and conducting all hearings required by law, passed and approved Ordinance No. 03-09 entitled “An Ordinance Providing for the Issuance of General Obligation Refunding Bonds (Tax Increment Alternate Revenue Source), Series 2003A, of the Village of Sauk Village, Cook County, Illinois, in an Aggregate Principal Amount not to exceed $2,700,000, for the Purpose of Refunding $2,140,000 General Obligation Bonds (Tax Increment Alternate Revenue Source), Series 1999A” (the “Series 2003A Ordinance”).

G. On September 30, 2004, the Village entered into a redevelopment agreement (the “Redevelopment Agreement”) with DP Industrial, LLC for the development of the TIF No. III Redevelopment Project Area, and pursuant to the Redevelopment Agreement, the Village issued developer notes dated January 31, 2007 and January 31, 2008 (the “Developer Notes”).

H. On December 9, 2008, the Corporate Authorities, after giving all notices required by law and conducting all hearings required by law, passed and approved Ordinance No. 08-67 entitled: “An Ordinance Providing for the Issuance of General Obligation Tax Increment Bonds (Alternate Revenue Source), Series 2008 (the “Series 2008 Bonds”), of the Village of Sauk Village, Cook County, Illinois, in an Aggregate
Principal Amount not to exceed $9,500,000, for the Purpose of (i) Paying Capitalized Interest Through Approximately December 1, 2009, (ii) Funding a Reserve and Redemption Fund, (iii) Paying a Certain Portion of a Developer Note, (iv) Reimbursing Certain TIF Eligible Costs Associated With Projects Located in Tax Increment Finance District Numbers II and III, and (v) Funding Certain Bond Issuance Costs (the “Series 2008 Ordinance”).

I. On March 31, 2009, the Corporate Authorities, after giving all notices required by law and conducting all hearings required by law, passed and approved Ordinance No. 09-15 entitled: “An Ordinance Providing for the Issuance of General Obligation Tax Increment Bonds (Alternate Revenue Source), Series 2009 (the “Series 2009 Bonds”), of the Village of Sauk Village, Cook County, Illinois, in an Aggregate Principal Amount not to exceed $8,000,000, for the Purpose of (i) Paying Capitalized Interest Through Approximately December 1, 2009, (ii) Providing Additional Funds for the Reserve and Redemption Fund, (iii) Paying Portions Developer Notes and Amounts due to the Village Under a Redevelopment Agreement, (iv) Reimbursing Certain TIF Eligible Costs Associated With Projects Located in Tax Increment Finance District Numbers II and III, and (v) Funding Certain Bond Issuance Costs” (the “Series 2009 Ordinance”).

J. On November 27, 2018, the Corporate Authorities, after giving all notices required by law and conducting all hearings required by law, passed and approved Ordinance No. 18-20 entitled: “An Ordinance Providing for the Issuance of General Obligation Bonds (Alternate Revenue Source) Series 2018A, in an Aggregate Principal Amount Not to Exceed $2,500,000, for the Purpose of Financing the Costs of Certain
Capital Projects Within the Village, Funding Certain Bond Issuance Costs, and Providing Certain Amounts of Capitalized Interest on the Bonds.” Said General Obligation Bonds (Alternate Revenue Source), Series 2019A (the “Series 2019A Bonds”) were issued July 9, 2019.

L. Because the TIF No. II Redevelopment Project Area and TIF No. III Redevelopment Project Area are contiguous, pursuant to the Tax Increment Act, the Village may use incremental revenues from one of the redevelopment project areas to pay for eligible Redevelopment Project Costs, including debt service payments, with respect to the other redevelopment project area (the “Incremental Pledged Revenues”).

M. It is necessary and desirable to refund certain of the Series 2008 Bonds and the Series 2009 Bonds (collectively, the “Prior Bonds”) (said portion of the Prior Bonds to be refunded being referred to herein, collectively, as the “Refunded Bonds”) in order to restructure the debt burden of the Village.
N. The Village has insufficient funds on hand to refund the Refunded Bonds and the Corporate Authorities hereby determine that it is necessary and advisable at this time to borrow money, and as evidence thereof, issue the Bonds (hereinafter defined) of the Village, in an amount not to exceed $15,900,000 to pay the same.

O. The Refunded Bonds are presently outstanding and unpaid and are binding and subsisting legal obligations of the Village.

P. The term of the Bonds shall not be longer than the term of the Prior Bonds, and the debt service payable in any year on the Bonds shall not exceed the aggregate debt service payable in such year on the Prior Bonds.

Q. In accordance with the terms of the Prior Bonds, certain of the Refunded Bonds may be called for redemption in advance of their maturity, and it is necessary and desirable to make such call for the redemption of such Refunded Bonds on their earliest practicable call date, and provide for the giving of proper notice to the registered owners of such Refunded Bonds.

R. The Incremental Pledged Revenues are the intended revenue source for payment of the Bonds and are determined by the Corporate Authorities to provide, in each year, an amount not less than 1.25 times average annual debt service (as defined in the Debt Reform Act) of all alternate bonds payable from such revenue source previously issued and outstanding and including the Bonds.

WHEREAS, the Corporate Authorities hereby determine that it is advisable to provide for the issuance of the Bonds for said purposes described above; and
WHEREAS, the Corporate Authorities hereby determine that it is necessary and advisable to amend and supplement the Series 2008 Ordinance, and the Series 2009 Ordinance, and such amendments and supplements will not prejudice holders of bonds issued pursuant to those ordinances; and

WHEREAS, such Bonds and the debt service thereon (for which ad valorem taxes are hereinafter levied) are subject to payment from the TIF Number II Special Tax Allocation Fund and the TIF Number III Special Tax Allocation Fund; and

WHEREAS, provision is hereinafter made for abatement of said tax levies under certain circumstances and pursuant to the terms contained herein.

NOW THEREFORE, BE IT ORDAINED BY THE MAYOR AND BOARD OF TRUSTEES OF THE VILLAGE OF SAUK VILLAGE, COOK COUNTY, ILLINOIS AS FOLLOWS:

ARTICLE I

Incorporation of Preambles

The Corporate Authorities hereby find that all of the recitals contained in the preambles to this Ordinance are full, true and correct and do incorporate them into this Ordinance by this reference.

ARTICLE II

Authority and Purpose

This Ordinance is adopted pursuant to the powers of the Village (as a non-home rule municipality) under the Tax Increment Act and the Debt Reform Act for the purpose of refunding the Prior Bonds.
ARTICLE III

Authorization

It is hereby found and determined that the Village has been authorized by the Tax Increment Act and Debt Reform Act to borrow the sum of an amount not to exceed $15,900,000 upon the credit of the Village and as evidence of such indebtedness to issue the Bonds, as provided by the Tax Increment Act and the Debt Reform Act, in said amount, the proceeds of the Bonds to be used for the purpose of (i) providing for the costs of refunding the Refunded Bonds and paying certain bond issuance costs with respect to the Bonds. The Bonds are payable both as to principal and interest from, ratably and equally with the Village’s outstanding Series 2002A Bonds, the Series 2002B Bonds, the unrefunded Series 2008 Bonds, the unrefunded Series 2009 Bonds, the Series 2019A Bonds, and the Series 2019B Bonds (all of which are defined herein collectively as the “Parity Bonds”), (i) the Incremental Pledged Revenues, and (ii) ad valorem taxes levied against all of the taxable property in the Village without limitation as to rate or amount (the “Pledged Taxes”).

The bonds shall each be designated “General Obligation Refunding Bonds (Alternate Revenue Source)” (the “Bonds”). The series designation, the total amount of the Bonds (not to exceed $15,900,000), the maturity dates (not to exceed December 1, 2029), principal amounts (not to exceed $2,700,000 per maturity), premium, if any, interest rates (not to exceed 5.00% per annum), levies (not to exceed $3,098,600 per year), municipal bond insurance, and all other required terms and matters necessary for the closing and issuance of the Bonds, including without limitation those terms and matters specifically provided for herein, shall be determined prior to closing by the Mayor in consultation with any other Village officials as the Mayor shall
deem appropriate. All such terms shall be set forth in a document acceptable to Ice Miller LLP ("Bond Counsel") and such document shall be referred to as the “Bond Determination.” The Bond Determination will be executed at or prior to the closing for the Bonds by the Mayor, attested to by the Village Clerk, and the Mayor or other Village officials he designates are hereby authorized and directed to establish the terms of the Bonds required to be set forth in the Bond Determination subject to all parameters and terms set forth in this Ordinance and are hereby authorized and directed to execute and deliver the Bond Determination and any and all other documents necessary in the judgment of Bond Counsel, including, without limitation, changes of a technical nature to the Bond Ordinance which, in the opinion of Bond Counsel, the Mayor is hereby authorized to make, to complete the transactions contemplated herein on behalf of the Village. This Ordinance and the Bond Determination are collectively referred to herein as the “Bond Ordinance” or “Ordinance.”

Interest on each Bond shall be paid by check of Amalgamated Bank of Chicago, Chicago, Illinois, as bond registrar and paying agent (in its capacity as such, respectively, the “Bond Registrar” or “Paying Agent”), payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding each interest payment date. The principal of, the interest on and the redemption premium, if any, due on the Bonds shall be payable in lawful money of the United States of America upon presentation thereof at the principal corporate trust office of the Bond Registrar on December 1 of each year in accordance with the schedule to be set forth in the Bond Determination.
The Bonds are to be issued in fully registered form in the denomination of $5,000 (principal amount) or integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date), and the Bonds shall be numbered in such reasonable fashion as may be selected by the Bond Registrar. The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable on June 1 and December 1 of each year, commencing on the date set forth in the Bond Determination.

The Bonds of each series shall mature (subject to prior redemption, as provided below) on December 1 (or such other date as may be set forth in the Bond Determination) of such years and in such amounts as shall be set forth in the Bond Determination executed pursuant to this Ordinance, and shall bear interest at such rates per annum or be priced to yield at such rates as shall be set forth in the Bond Determination executed pursuant to this Ordinance.

The Bonds shall be signed by the manual or facsimile signature of the Mayor, and shall be attested by the manual or facsimile signature of the Village Clerk, and the seal of the Village shall be affixed thereto or printed thereon, and in case any officer whose signature shall appear on any Bonds shall cease to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar as authenticating agent of the Village for the Bonds and showing the date of authentication. None of the Bonds shall be valid or
obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any of the Bonds shall be conclusive evidence that it has been authenticated and delivered under this Ordinance. The certificate of authentication on any of the Bonds shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

ARTICLE IV

Global Form; Securities Depository

It is intended that the Bonds be registered so as to participate in a securities depository system with the Depository Trust Company ("DTC"), as set forth herein. The Bonds shall be initially issued in the form of a single fully registered Bond for each of the maturities established in the Bond Determination. Upon initial issuance, the ownership of each series of the Bonds shall be registered in the name of Cede & Co., or any successor thereto, as nominee for DTC. The Village and the Paying Agent are authorized to execute and deliver such letters to or agreements with DTC as shall be necessary to effectuate the securities depository system of DTC, including the Blanket Letter of Representation (the "Letter of Representation") in standard form. With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the Village, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds the Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein
as a “Depository Participant”) or to any person on behalf of whom such a Depository Participant holds an interest in the any of the Bonds (each such person being herein referred to as an “Indirect Participant”). Without limiting the immediately preceding sentence, the Village, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co., or any Depository Participant with respect to the ownership interest in the Bonds, (b) the delivery to any Depository Participant or any Indirect Participant or any other person, other than a registered owner of any of the Bonds, of any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or Indirect Participant or any other person, other than a registered owner of any of the Bonds, of any amount with respect to principal of, premium, if any, or interest on, the Bonds. While in the securities depository system of DTC, no person other than Cede & Co., or any successor thereto, as nominee for DTC, shall receive a Bond Certificate with respect to any of the Bonds. Upon delivery by DTC to the Paying Agent of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions of this Ordinance with respect to the payment of interest by the mailing of checks or drafts to the registered owners of Bonds at the close of business on the record date applicable to any interest payment date, the name “Cede & Co.” in this Ordinance shall refer to such new nominee of DTC.

In the event that (a) the Paying Agent determines that DTC is incapable of discharging its responsibilities described herein and in the Letter of Representation, (b) the Letter of Representation shall be terminated for any reason, or (c) the Village determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds,
the Village shall notify DTC of the availability through DTC of Bond certificates and the Bonds shall no longer be restricted to being registered in the name of Cede & Co., as nominee of DTC. At that time, the Village may ‘determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a securities depository system, as may be acceptable to the Village or such depository’s agent or designee, and if the Village does not select such alternate securities depository system then the Bonds may be registered in whatever name or names registered owners of the Bonds transferring or exchanging the Bonds shall designate; in accordance with the provisions hereof.

Notwithstanding any other provisions of this Ordinance to the contrary, so long as any of the Bonds is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on Bonds and all notices with respect to the Bonds shall be made and given, respectively, in the manner provided in the Letter of Representation.

ARTICLE V

Transfer, Exchange and Registry

The Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein. Each of the Bonds shall be transferable only upon the registration books maintained by the Village for that purpose at the principal corporate trust office of the Bond Registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the Bond Registrar and duly executed by the registered owner or his duly authorized attorney. Upon the surrender for transfer of any such Bond, the Village shall execute, and the Bond Registrar shall authenticate and deliver, a new Bond registered in the name of the transferee, of the same
aggregate principal amount, maturity and interest rate as the surrendered Bond. Bonds, upon surrender thereof at the principal corporate trust office of the Bond Registrar, with a written instrument satisfactory to the Bond Registrar, duly executed by the registered owner or his attorney duly authorized in writing, may be exchanged for an equal aggregate principal amount of Bonds, respectively, of the same maturity and interest rate and of the denominations of $5,000 or any integral multiple thereof.

For every such exchange or registration of transfer of Bonds, the Village or the Bond Registrar may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made for the privilege of making such transfer or exchange. The provisions of the Illinois Bond Replacement Act shall govern the replacement of lost, destroyed or defaced Bonds.

The Village and the Bond Registrar may deem and treat the person in whose name any Bond shall be registered upon the registration books as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of, premium, if any, or interest thereon and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Village nor the Bond Registrar shall be affected by any notice to the contrary.
The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning at the close of business on the 15th day of the month next preceding any interest payment date on such Bond and ending on such interest payment date nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bond.

**ARTICLE VI**

**Redemption**

**Section 1. Optional Redemption.** The Bonds due on and after the date, if any, specified in the Bond Determination, shall be subject to redemption prior to maturity at the option of the Village from any available funds, as a whole or in part, and if in part in integral multiples of $5,000 in any order of their maturity as determined by the Village (less than all of the Bonds of a single maturity to be selected by the Bond Registrar), on the date specified in the Bond Determination, and on any date thereafter, at the redemption price of par plus accrued interest to the date fixed for redemption, as provided in the Bond Determination.

**Section 2. Mandatory Sinking Fund Redemption.** The Bonds maturing on the date or dates, if any, indicated in the Bond Determination, are subject to mandatory redemption, in integral multiples of $5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date, on the dates, if any, and in the principal amounts, if any, as indicated in the Bond Determination.

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds credited against future mandatory redemption requirements in such order of the
mandatory redemption dates as the Village may determine. In addition, on or prior to the 60th day preceding any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

Section 3. Procedure. For a mandatory redemption, the Bond Registrar shall proceed to redeem Bonds without any further order or direction from the Village whatsoever. For optional redemption, the Village shall, at least thirty (30) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the maturities and principal amounts of Bonds to be redeemed. For purposes of any redemption of less than all of the Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days prior to the redemption date by the Bond Registrar for the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; provided, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any $5,000 Bond or $5,000 portion of a Bond shall be as likely to be called for redemption as any other such $5,000 Bond or $5,000 portion.

The Bond Registrar shall promptly notify the Village and the Paying Agent in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Registrar on behalf of the Village by mailing the
redemption notice by first class mail not less than 30 days and not more than 60 days prior to the
date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the
address shown on the Bond Register or at such other address as is furnished in writing by such
registered owner to the Bond Registrar.

All official notices of redemption shall include at least the information as follows:

(a) the redemption date;

(b) the redemption price;

(c) if less than all of the outstanding Bonds of a particular maturity are to be
redeemed, the identification (and, in the case of partial redemption of Bonds within such
maturity, the respective principal amounts) of the Bonds to be redeemed;

(d) a statement that on the redemption date the redemption price will
become due and payable upon each such Bond or portion thereof called for redemption
and that interest thereon shall cease to accrue from and after said date; and

(e) the place where such Bonds are to be surrendered for payment of the
redemption price, which place of payment shall be the office maintained for the purpose
by the Paying Agent.

Such additional notice as may be agreed upon with the Depository shall also be given as
long as any Bonds are held by the Depository.

Prior to any redemption date, the Village shall deposit with the Paying Agent an amount
of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are
to be redeemed on that date.
Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Village shall default in the payment of the redemption price), such Bonds or portions of Bonds shall cease to bear interest. Neither the failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of authorized denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

If any Bond or portion of a Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All
Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

The Village agrees to provide such additional notice of redemption as it may deem advisable at such time as it determines to redeem Bonds, taking into account any requirements or guidance of the Securities and Exchange Commission, the Municipal Securities Rulemaking Board, the Government Accounting Standards Board, or any other federal or state agency having jurisdiction or authority in such matters; provided, however, that such additional notice shall be (1) advisory in nature, (2) solely in the discretion of the Village, and (3) not be a condition precedent of a valid redemption or a part of the Bond contract, and any failure or defect in such notice shall not delay or invalidate the redemption of Bonds for which proper official notice shall have been given. Reference is also made to the provisions of the Continuing Disclosure Undertaking of the Village with respect to the Bonds, which may contain other provisions relating to notice of redemption of Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

As part of their respective duties hereunder, the Bond Registrar and Paying Agent shall prepare and forward to the Village a statement as to notice given with respect to each redemption together with copies of the notices as mailed and published.

The Bonds shall be direct and general obligations of the Village, and the Village shall be obligated to levy ad valorem taxes upon all the taxable property in the Village for the payment of the principal of the Bonds, and the interest thereon, without limitation as to rate or amount except to the extent that such levy is abated in accordance with Article XX of this Ordinance.

ARTICLE X

Village Covenants

The Village covenants and agrees with the holders of the Parity Bonds (the “Parity Bondholders”) that, so long as any Parity Bonds remain outstanding and unpaid:

(1) The Village will punctually pay or cause to be paid the principal of, accreted value, premium, if any, and interest on the Bonds and the Parity Bonds in strict conformity with the terms of the Parity Bonds and this Ordinance.

(2) The Village will keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Village, in which complete and correct entries shall be made of all transactions relating to the Sauk Village Tax Increment Redevelopment Area No. II Redevelopment Plan and Project and the Sauk Village Tax Increment Redevelopment Area No. III Redevelopment Plan and Project and to the incremental property tax revenues derived from TIF No. II and TIF No. III. Such books of record and accounts shall at all times during business

hours be subject to the inspection of the holders of not less than ten (10%) percent of the principal amount of the Outstanding Bonds, or their representatives authorized in writing.

(3) The Village shall, annually, make available in the manner described in the Continuing Disclosure Undertaking of the Village to the Parity Bondholders the Village’s audited financial statement for its most recently completed year.

(4) The Village shall notify Parity Bondholders immediately after the completion of its annual audit of any fund balance of the general fund of the Village which is below two and one-half percent (2 1/2%) of the Village’s total general fund revenues for that particular Village fiscal year and agrees to seek consultation within sixty (60) days thereafter with a Recognized Tax Increment Finance Feasibility Consultant (as defined below) as to financial remedies to increase the fund balances of the Village’s general fund.

(5) The Village further covenants to meet all annual reporting requirements of the Tax Increment Act.

(6) The Village will preserve and protect the security of the Parity Bonds and the rights of the Parity Bondholders, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any of the Parity Bonds by the Village, the Parity Bonds shall be uncontestable by the Village.

(7) The Village will use its best efforts to implement or cause the implementation of the Sauk Village Tax Increment Redevelopment Area No. II Redevelopment Plan and Project and the Sauk Village Tax Increment Redevelopment Area No. III Redevelopment Plan and Project with all practicable dispatch in accord with their stated objectives and purposes in conformity with the Tax Increment Act and the Illinois Municipal Code.
(8) The Village will adopt, make, execute and deliver any and all such further ordinances, resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention of, or to facilitate the performance of, this Ordinance, and for the better assuring and confirming unto the Parity Bondholders of the rights and benefits provided in this Ordinance.

(9) As long as the Parity Bonds are outstanding, the Village will continue to make the deposits provided for in this Ordinance and all other Parity Bond ordinances and bond determinations.

(10) Of the proceeds of sale of the Bonds including accrued interest, the following amounts shall, on the date of the delivery of the Bonds by the Trustee, be paid as follows:

(a) To the insurer of the Bonds (the “Insurer”), if any, an amount as provided in the Bond Determination;

(b) To the Trustee, the balance of the proceeds of sale of the Bonds, to be held in the Expense Account; and

(c) To the Trustee, an amount sufficient to pay or defease all principal, interest and premium, if any, on the Series 2008 Bonds and the Series 2009 Bonds.

ARTICLE XI

Additional Financing

Section 1. Additional Bonds. The Village reserves the right, but not the obligation, to issue additional bonds (the “Additional Bonds”), other than and in addition to any further bonds to be issued as authorized under this Ordinance, from time to time in accordance with the provisions of this Article and the Bond Determination, for the purpose of (i) refunding any
outstanding bonds of the Village related to this Ordinance, and (ii) funding certain bond issuance
costs. The Additional Bonds shall share ratably and equally in the Incremental Pledged Revenues
with the Bonds upon compliance with all of the following conditions:

(1) All deposits and credits required to be made to the TIF Number II Special Tax
Allocation Fund and TIF Number III Special Tax Allocation Fund shall have been made up to and
including the date of adoption of any ordinance authorizing the issuance of Additional Bonds;
and

(2) A report shall have been prepared by a Recognized Tax Increment Finance
Feasibility Consultant (as defined below) including a projection indicating Incremental Pledged
Revenues to be equal to at least 125% of Average Annual Debt Service (as defined below), or
such other amount provided in the Bond Determination, calculated for all succeeding years on
all outstanding Parity Bonds, plus the Average Annual Debt Service of Additional Bonds then
proposed to be issued.

(3) “Average Annual Debt Service” means at any given time of determination an
amount equal to the average annual amounts of principal, interest, premium, if any, and accreted
value due on the Parity Bonds computed over their life to maturity. For purposes hereof, “Bond
Year” means the twelve-calendar month period beginning on December 2 of any calendar year
and ending on the subsequent December 1.

(4) “Recognized Tax Increment Finance Feasibility Consultant” means Kane, McKenna
Capital, Inc. or a tax increment finance feasibility consultant or analyst having a national
reputation for expertise in tax increment finance bonds.
Any pledge made in this Ordinance and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the Village shall be for the equal benefit, protection and security of the owners of the Parity Bonds. All of the Parity Bonds, regardless of the time or times of their issuance, shall be of equal rank without preference, priority, or distinction of any of the Parity Bonds over any other thereof except as expressly provided in or pursuant to this Ordinance.

Notwithstanding the foregoing restrictions, if prior to the payment of the Parity Bonds, the Village shall determine to refund part or all of the Outstanding Parity Bonds, said Outstanding Parity Bonds may be refunded, and any refunding bonds so issued shall share ratably and equally in the Incremental Pledged Revenues and further ad valorem taxes pledged to the payment of principal, interest, premium, if any, and accreted value on the Parity Bonds, with the portion, if any, of the Parity Bonds which is not refunded; provided, that if any portion of the Parity Bonds is refunded such that the Average Annual Debt Service is increased, then such refunding bonds or obligations shall be in all respects subordinate to the Parity Bonds and shall not share ratably and equally in the Incremental Pledged Revenues with the portion of the Parity Bonds remaining outstanding, except that if it is found necessary to refund any annual installment of the Parity Bonds at maturity or within one year of maturity thereof in order to prevent a default, such refunding bonds or obligations may be issued to share ratably and equally in the Incremental Pledged Revenues with the portion of the Parity Bonds not refunded notwithstanding the fact that the interest rate is increased; provided, however, that such refunding bonds or obligations shall not mature at a date earlier than the maturity of any installment of principal of and interest
on said Parity Bonds not refunded. Any Additional Bonds which may be issued shall be payable as to principal on December 1 and as to interest on December 1 and June 1.

Section 2. Authorization of Additional Bonds. Additional Bonds shall be issued only after their authorization in accordance with this Ordinance by a Supplemental Bond Ordinance which shall specify and determine as the purpose for which such Additional Bonds are issued, a purpose described in clause (i) or (ii) of Section 1 above, and shall specify and determine:

(1) The principal amount of such Additional Bonds;

(2) The dates and amounts of the maturities of such Additional Bonds and the redemption privileges (if any) of the Village with respect to such Additional Bonds;

(3) The date or dates of such Additional Bonds;

(4) The rate or rates of interest or maximum rate of interest to be borne by such Additional Bonds; and

(5) The form of such Additional Bonds and such other matters and things as may be required by a Supplemental Bond Ordinance for authorization of such additional Bonds.

Section 3. Execution and Delivery of Additional Bonds. After their authorization by a Supplemental Bond Ordinance, a series of Additional Bonds shall from time to time be executed by or on behalf of the Village in accordance with Section 1 above and be delivered to the Trustee for authentication and thereupon shall be authenticated by the Trustee and, upon fulfillment of the conditions (if any) set forth in such Supplemental Bond Ordinance and of the conditions set forth or referred to in this Article, delivered by the Trustee to the Village or upon its order as authorized by a Supplemental Bond Ordinance.
Section 4. Application of Proceeds of Additional Bonds. The proceeds of sale of Additional Bonds of any series (including accrued interest) shall, on the date of delivery of such Additional Bonds by the Trustee, be applied as provided in the Supplemental Bond Ordinance authorizing such series and as specified in the written order of the Village delivered to the Trustee pursuant to Section 3 above.

Section 5. Conditions Precedent to Delivery of Additional Bonds.

(1) The Trustee shall not deliver Additional Bonds of any series upon original issuance unless theretofore or simultaneously therewith the conditions set forth in this Article shall have been fulfilled.

(2) No Additional Bonds of any series issued for any purpose consistent with the Sauk Village Tax Increment Redevelopment Area No. II Redevelopment Plan and Project and the Sauk Village Tax Increment Redevelopment Area No. III Redevelopment Plan and Project shall be delivered until there shall have been filed with the Trustee a certificate of the Recognized Tax Increment Finance Feasibility Consultant (a) estimating the amount of Incremental Pledged Revenues to be collected for each Bond Year to and including the Bond Year next preceding the final maturity date of all Parity Bonds and the Additional Bonds to be issued (collectively, the “Proposed Outstanding Parity Bonds”), as of the time immediately following the issuance of such series of Additional Bonds; (b) stating the amount of interest and principal installments, premium, if any, and accreted value to become due in each Bond Year immediately following each Bond Year on all Proposed Outstanding Parity Bonds, as of the time immediately following the issuance of such series of Additional Bonds; and (c) stating that for each Bond Year the
estimated amount described in (a) will equal not less than 125%, or such other amount provided in the Bond Determination, of the amount stated in (b).

(3) No Additional Bonds of any series issued for any purpose consistent with the Sauk Village Tax Increment Redevelopment Area No. II Redevelopment Plan and Project and the Sauk Village Tax Increment Redevelopment Area No. III Redevelopment Plan and Project shall be delivered until there shall have been filed with the Trustee:

(a) An Accountant’s Certificate verifying that the moneys to be deposited with the Trustee will provide moneys sufficient to pay the principal of, the interest on and the redemption premium, if any, due on the Proposed Outstanding Parity Bonds to be refunded; and

(b) Either (i) an Accountant’s Certificate stating that, as of the time immediately following the issuance of such series of Additional Bonds, the amount of interest and principal installments to become due in each Bond Year until the final maturity date of all Proposed Outstanding Parity Bonds will not be greater than the amount of interest and principal installments to become due in each such Bond Year on all Proposed Outstanding Parity Bonds as of the time immediately prior to the issuance of such series of Additional Bonds or (ii) the Recognized Tax Increment Finance Feasibility Consultant’s Certificate set forth in Paragraph (B) of this Section 5.

The Village shall maintain the right to issue subordinate lien bonds, notes or other instruments payable from the General Account described below.
Notwithstanding anything contained herein to the contrary, the Village reserves the right to issue general obligation, revenue, or other bonds, notes or obligations which do not constitute a lien on the Incremental Pledged Revenues as described in Article XII, Section 1 herein.

ARTICLE XII

Treatment of Bonds as Debt

The Bonds are to be payable from the Incremental Pledged Revenues and shall not constitute an indebtedness of the Village within the meaning of any constitutional or statutory limitation, unless the Pledged Taxes shall have been extended pursuant to the general obligation, full faith and credit promise supporting the Bonds, as set forth in this Ordinance, in which case the amount of the Alternate Bonds then Outstanding shall be included in the computation of indebtedness of the Village for purposes of all statutory provisions or limitations until such time as an audit of the Village shall show that the Bonds have been paid from the Incremental Pledged Revenues for the Alternate Bonds for a complete twelve-month period beginning May 1 and ending April 30 (“Fiscal Year”), in accordance with the Debt Reform Act.

ARTICLE XIII

Funds and Accounts

Section 1. Pledge Securing Parity Bonds. All Incremental Pledged Revenues and all other moneys deposited in the TIF Number II Special Tax Allocation Fund and TIF Number III Special Tax Allocation Fund pursuant to the provisions of the Tax Increment Act or this Ordinance shall be held in trust and applied only in accordance with the provisions of this Ordinance and the Bond Determination. A pledge of all Incremental Pledged Revenues held or set aside or to be set aside pursuant to this Ordinance by the Trustee in the TIF Number II Special Tax Allocation Fund...
Fund and TIF Number III Special Tax Allocation Fund is made as security for the payment of the Parity Bonds.

The pledges hereby made shall be valid and binding from and after the time of delivery by the Trustee of the first Bond authenticated and delivered under the Bond Ordinance. Such Incremental Pledged Revenues and such moneys, securities and funds so pledged and then or thereafter received by the Village shall immediately be subject to the lien of such pledge without any physical delivery or further act, and the lien of such pledge and the obligation to perform the contractual provisions hereby made shall be priority over any or all other obligations and liabilities of the Village with respect to the Incremental Pledged Revenues.

The pledges made pursuant to this Section shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Village.

Section 2. Continuation of Bond Fund. The Village hereby continues the Bond Fund into which the Trustee will transfer the annual Incremental Property Taxes from the TIF Number II Special Tax Allocation Fund and TIF Number III Special Tax Allocation Fund, and from which the principal, interest, premium, if any, and accreted value of the Parity Bonds will be paid. The Trustee will deposit capitalized interest and accrued interest into said Bond Fund at closing. The Trustee is authorized to continue the separate, segregated bond funds for each of the Series 2009 Bonds, the Series 2008 Bonds, and the Series 2002B Bonds, if necessary.

Section 3. Continuation of Other Funds and the General Account. The Village hereby continues the Administrative Expense and Prior Note Fund, the General Account, and the Reserve and Redemption Fund, which shall all be held by the Trustee.
Section 4. Deposit of Moneys. The Village shall direct each County Collector to deposit all Incremental Property Taxes directly with the Trustee. The Trustee shall promptly transfer all such Incremental Property Taxes from the TIF Number II Special Tax Allocation Fund and the TIF Number III Special Tax Allocation Fund into the Bond Fund. From and after the time of delivery by the Trustee of the Parity Bonds, to the extent the Village receives any incremental property tax revenues, the Village shall transfer to the Trustee all Incremental Property Taxes within ten (10) days of their receipt for deposit into the TIF Number II Special Tax Allocation Fund or the TIF Number III Special Tax Allocation Fund, as appropriate. All Pledged Taxes as set forth in this Ordinance that are extended from collection shall, when collected, be deposited promptly with the Trustee. All Pledged Taxes received by the Trustee shall be paid over to the Bond Fund and segregated therein for the payment of the principal, interest, premium, if any, and accreted value on the Parity Bonds.

Pursuant to the provisions of Section 11-74.4-10 of the Tax Increment Act, revenue received by the Village from the sale or other disposition of real property acquired by the Village with the proceeds of the Parity Bonds shall be deposited promptly with the Trustee and shall be paid by the Trustee into the General Account.

Section 5. Bond Fund.

(A) The Bond Fund shall be the fund for the payment of principal, interest, premium, if any, and accreted value on the Parity Bonds and any Additional Bonds. Amounts shall be deposited into the Bond Fund as required herein, and shall be allocated among the Parity Bonds and any Additional Bonds in the manner which shall provide sufficient funds to pay the principal, interest and premium, if any when due on the Series 2002A Bonds, the Series 2008 Bonds, the
Series 2009 Bonds, the Series 2019A Bonds, the Series 2019B Bonds, and any Additional Bonds, and to pay the accreted value at maturity of the Series 2002B Bonds. Accrued interest received upon the delivery of the Bonds shall be used to pay the first interest coming due on the Bonds and, to such end, shall be deposited in the Bond Fund.

(B) The Trustee shall, after verifying that the aggregate amounts on deposit in the Bond Fund and the Reserve and Redemption Fund are not less than 125% of the Debt Service Requirements (as defined below), or such other amount provided in the Bond Determination, withdraw from the Bond Fund, prior to each interest payment date of the Parity Bonds, an amount equal to the unpaid interest due on the Parity Bonds on such interest payment date, and shall cause the same to be applied to the payment of said interest when due. Under the provisions of this paragraph (B), interest due on the Parity Bonds does not include interest payable from amounts held in any capitalized interest account maintained with respect to a series of Additional Bonds.

(C) If the withdrawals required under the provisions of Paragraph (B) of this Section with respect to the same and every prior date shall sooner have been made, the Trustee shall withdraw from the Bond Fund: (i) prior to each maturity date of the Parity Bonds, an amount equal to the principal amount or accreted value of the Parity Bonds, if any, maturing on such maturity date and shall cause the same to be applied to the payment of the principal or accreted value of the Parity Bonds when due, and (ii) prior to each sinking fund installment payment date, if any, an amount equal to the unsatisfied balance of the sinking fund installments of the Parity Bonds, if any, due on such date and shall cause the same to be applied to the payment of the
sinking fund redemption price of the Parity Bonds to be redeemed on such date by the application of sinking fund installments.

(D) All withdrawals from the Bond Fund under the provisions of Paragraph (B) or Paragraph (C) of this Section shall be made not earlier than three days prior to the date to which they relate, and the amounts so withdrawn shall, for all purposes of this Ordinance, be deemed to remain in and be part of the Bond Fund until applied to the payment of the principal of, accreted value, the interest on, and the redemption premium, if any, due on of the Parity Bonds.

(E) As of November 15 of each year, the Trustee shall determine and provide notice to the Village of the amount then held in the Bond Fund. If such amount is less than the principal, accreted value, interest and premium, if any, due on the Parity Bonds due in the following Bond Year and the provision of not less than an additional .25 times coverage on said amount (the “Debt Service Requirements”), the Trustee shall immediately withdraw, first from the Reserve and Redemption Fund in an amount up to such deficiency, and if a deficiency still exists, then from the General Account, and transfer to the Bond Fund the amount sufficient to increase the amount in the Bond Fund to the Debt Service Requirements.

(F) If ten (10) days prior to any payment date there shall not be a sufficient amount in the Bond Fund to provide for any withdrawal therefrom required under the provisions of Paragraph (B) or Paragraph (C) of this Section, the Trustee shall notify the Village on or before November 15 of such year and the Village shall authorize the utilization of any other monies provided for pursuant to the flow of funds or other monies legally available to the Village to cure such deficiency. If the Village has not so provided by the last date for which abatement of the Pledged Taxes is permissible in the given Bond Year, then the Village may not abate the amount equal to
the deficiency and said amount shall be levied and collected by each County and remitted to the Trustee.

(G) If, as of November 15 of any year, the amount then held in the Bond Fund equals or exceeds the Debt Service Requirements in the following Bond Year, the Trustee, within ten (10) days thereafter, shall, out of moneys (if any) in the Bond Fund in excess of the Debt Service Requirements, deposit into the Administrative Expense Fund, an amount equal to: (i) the fees and expenses of the Trustee; and (ii) any amounts due to the United States of America pursuant to Section 148(f) of the Internal Revenue Code of 1986, as amended (the “Code”), with respect to any Parity Bond (collectively, such payments are referred to as the “Program Expenses”).

(H) After making the transfers to the Administrative Expense and Prior Note Fund in (G) above, any excess in the Bond Fund shall be transferred to the Reserve and Redemption Fund if it falls below 125% of the Debt Service Requirements, and any balance thereafter shall be transferred to the General Account.

Section 6. Administrative Expense, Prior Note Fund and Reserve and Redemption Fund. The Administrative Expense and Prior Note Fund shall be used for Program Expenses and for the purposes described in Section 5 of this Ordinance.

The Reserve and Redemption Fund shall be used to hold amounts in excess of the sum of the Debt Service Requirements and Program Expenses for each Bond Year. Provided the ratio of the amount held in the Reserve and Redemption Fund as of November 15 of any year is equal to or greater than 125% of the Average Annual Debt Service, or such other amount provided in the Bond Determination, any excess over an amount so that such ratio equals 1.25:1, or such other
amount provided in the Bond Determination, shall be deposited into the General Account for any purpose permitted under the Tax Increment Act.

Section 7. General Account. At the direction of the Village expressed in an Officer’s Certificate filed with the Trustee, moneys in the General Account shall be transferred, applied or withdrawn for any one or more of the following purposes by the Village for the following accounts: (i) to purchase or redeem the Parity Bonds, (ii) to pay, to reimburse or to provide for the payment of Redevelopment Project Costs or any other expenditure permitted under the Tax Increment Act; (iii) to provide for the defeasance and payment of the Bonds pursuant to Article XXX; (iv) to pay, or to secure the payment of, other obligations of the Village issued to pay Redevelopment Project Costs; (v) to provide for the distribution to taxing districts of excess funds in the General Account constituting “surplus” under Section 11-74.47 of the Tax Increment Act; and (vi) to provide for the payment of subordinate notes, if any.

Section 8. Expense Account. The moneys in the Expense Account, hereby created, shall be held by the Trustee in trust and applied to pay costs of issuance of the Bonds. Moneys in the Expense Account may be withdrawn by the Village for such purposes upon the filing with the Trustee of requisitions signed by the Mayor or any other employee of the Village designated by the Mayor in a written certificate filed with the Trustee. Any moneys remaining in the Expense Account on the 180th day following the date of issuance of the Bonds shall be paid over to the Bond Fund.

Section 9. Funds Held for Parity Bonds. The amounts held or applied by the Trustee for the payment of the principal of, accreted value, the interest on, and the redemption premium, if any, due on the Parity Bonds shall, pending such payment, be set aside and held in trust for the
Parity Bondholders entitled thereto, and for the purposes of this Ordinance such principal, accreted value, interest and redemption premium, if any, due on of the Parity Bonds after the due date thereof shall no longer be considered to be unpaid.

Any moneys held by the Trustee in trust for the payment and discharge of any of the Parity Bonds that remain unclaimed for two years after the date when such Parity Bonds have become due and payable, either at maturity or by call for redemption, if such moneys were held by the Trustee at said date, or for two years after the date of deposit of such moneys if deposited with the Trustee after the said date when such Parity Bonds became due and payable, shall be paid by the Trustee to the Village as its absolute property and free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the holder of such Parity Bonds shall look only to the Village for the payment thereof.

**Section 10. General Regulations as to Moneys and Funds.** Moneys in any Fund or Account held by the Trustee, on instructions signed by a Village Officer, shall be invested by the Trustee in investment obligations or be deposited in time or other accounts, maturing in the amounts and at the times necessary to provide funds to make the payments to which such moneys are applicable. All moneys (not including securities) held by the Trustee may be deposited by it, on demand or time deposit, in its banking department or with such other banks or trust companies which are lawful depositaries as may be designated by the Village and approved by the Trustee. which ordinance, upon the filing with the Trustee of a copy thereof certified by the Village Clerk, shall be fully effective in accordance with its terms:

(1) To close this Ordinance against, or provide limitations and restrictions in addition to the limitations and restrictions contained in this Ordinance on, the issuance in the future of Additional Bonds, or of other notes, bonds, obligations or evidences of indebtedness;

(2) To insert in this Ordinance additional covenants or agreements to be observed by the Village which are not contrary to or inconsistent with this Ordinance as theretofore in effect;

(3) To add to the limitations or restrictions contained in this Ordinance other limitations or restrictions to be observed by the Village which are not contrary to or inconsistent with this Ordinance as theretofore in effect;

(4) To surrender any right, power or privilege reserved to or conferred upon the Village by this Ordinance;

(5) To confirm, as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by, this Ordinance;

(6) To specify, determine or authorize any and all matters and things relative to the Parity Bonds or the proceeds thereof which are not contrary to or inconsistent with this Ordinance, the Series 2002A and Series 2002B Ordinance, Series 2008 Ordinance, or the Series 2009 Ordinance as theretofore in effect;

(8) To cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in this Ordinance; and

(9) To insert such provisions clarifying matters or questions arising under this Ordinance, as are necessary or desirable and are not contrary to or inconsistent with this Ordinance as theretofore in effect.

Section 2. Restrictions on Amendments and Supplements. This Ordinance shall not be modified, supplemented or amended in any respect except as provided in and in accordance with and subject to the provisions of this Article. Except as provided in Section 1 of this Article, the rights and obligations of the Village and of the owners of any series of the Parity Bonds may not be modified, supplemented or amended except by a supplemental ordinance adopted by the Corporate Authorities with the written consent of the owners of not less than 2/3 of the principal amount of the Parity Bonds proposed to be modified, supplemented or amended (excluding any of said Parity Bonds owned by or under the control of the Village and any Parity Bonds that are not outstanding Parity Bonds); provided, however, that no such modification, supplement or amendment shall extend or change the maturity of or date of redemption prior to maturity, or reduce the interest rate on, or permit the creation of a preference or priority of any outstanding Parity Bond or over any other outstanding Parity Bond, or otherwise alter or impair the obligations of the Village to pay the principal of, accreted value, and interest on any of the outstanding Parity Bonds at the time, place, rate, and in the currency provided therein, or alter or impair the obligations of the Village with respect to registration, transfer, exchange or notice of redemption of outstanding Parity Bonds, without the express consent of the owners of all of the series of the Parity Bonds affected (other than any Parity Bonds that are not outstanding
Parity Bonds); nor shall any such modification, supplement or amendment reduce the percentage of the owners of outstanding Parity Bonds required for the written consent of such modification or amendment without the consent of the owners of all of the series of the Parity Bonds affected (other than any Parity Bonds that are not outstanding Parity Bonds).

It shall not be necessary for the consent of the holders of the Parity Bonds under this Section to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this Section and the receipt by the Village of any required consents of the owners of the Parity Bonds, this Ordinance shall be modified, supplemented and amended in accordance therewith and the respective rights, duties and obligations of the Village, the Bond Registrar and all registered owners of Parity Bonds thereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification, supplement and amendments, and all the terms and conditions of any such supplemental ordinance shall be and be deemed to be part of the terms and provisions of this Ordinance for any and all purposes.

For purposes of determining the total number of Parity Bondholders’ consents, each Parity Bondholder’s consent will be effective with respect to the Parity Bondholder who consented to it and each subsequent holder of a Parity Bond or portion of a Parity Bond evidencing the same debt as the consenting holder’s Parity Bond.

Section 3. Adoption and Filing of Supplemental Bond Ordinances. Any ordinance of the Village referred to and permitted to be authorized by Section 1 of this Article may be adopted by the Corporate Authorities without the vote or consent of any of the Parity Bondholders, but
shall become effective only on the conditions, to the extent and at the time provided in that Section. Every such ordinance so becoming effective shall thereupon form a part of this Ordinance. The copy of every such ordinance when filed with the Trustee shall be accompanied by an opinion of counsel to the Village (a “Counsel’s Opinion”) to the effect that such ordinance has been duly and lawfully adopted by the Corporate Authorities in accordance with the provisions of this Ordinance, is authorized or permitted by the provisions of this Ordinance, and, when effective, will be valid and binding upon the Village and enforceable in accordance with its terms.

Section 4. Authorization to Trustee. The Trustee is hereby authorized to accept the delivery of a certified copy of any ordinance of the Village referred to and permitted or authorized by Sections 1 or 2 of this Article and to consent to such ordinance and to make all further agreements and stipulations which may be therein contained, and the Trustee, in taking such action, shall be fully protected in relying on an opinion of counsel (which may be a Counsel’s Opinion) that such ordinance is authorized or permitted by the provisions of this Ordinance or contains no provisions which are contrary to or inconsistent with this Ordinance as theretofore in effect.

Section 5. Mailing. Any provision in this Article for the mailing of a notice or other paper to Parity Bondholders shall be fully complied with if it is mailed or delivered only to each Parity Bondholder at the address of such Parity Bondholder appearing upon the registration books of the Village kept at the principal office of the Bond Registrar, and to the Trustee.

Section 6. Contracts or Indentures. The Village, so far as it may be authorized by law, may, and if requested by the Trustee, shall enter into a contract or an indenture with the Trustee
giving effect to any modification or amendment of this Ordinance as provided above in this Article.

ARTICLE XV

Remedies on Default

Section 1. Powers of Trustee. The Village determines that there shall be, and there hereby are, vested in the Trustee, in addition to all its property, rights, powers and duties mentioned or referred to in any other provision of this Ordinance, the rights, powers and duties in this Section provided in trust for the Parity Bondholders.

Section 2. Events of Default. Each of the following shall constitute an event of default under the Bond Ordinance and is hereby called “Event of Default”:

(1) interest on any of the Parity Bonds of a particular series shall become due on any date and shall not be paid on said date, or a principal installment or accreted value or the redemption price of any of the Parity Bonds of a particular series shall become due on any date, whether at maturity or upon call for redemption, and shall not be paid on said date; or

(2) a default shall be made in the observance or performance of any covenant, contract or other provision in the Parity Bonds or Bond Ordinance contained and such default shall continue for a period of thirty days after written notice to the Village from the Trustee specifying such default and requiring the same to be remedied; or

(3) there shall be filed by the Village a petition seeking an adjustment of indebtedness under any applicable law or statute of the United States of America or of the State of Illinois.

Section 3. Enforcement by Trustee. Upon the happening and continuance of an Event of Default or an event which upon sufficient notice may become an Event of Default
described in the preceding Section, the Trustee in its own name and as trustee of an express
trust, on behalf and for the benefit and protection of the holders of all Parity Bonds, may proceed,
and upon the written request of the holders of not less than twenty-five percent (25%) in
aggregate principal amount of the Parity Bonds of the series with respect to which such Event of
Default has occurred shall proceed, subject to the provisions of Section 2 of this Article, to protect
and enforce its rights and any rights of the Trustee and, to the full extent that the holders of such
Parity Bonds themselves might do, the rights of such Parity Bondholders under the laws of the
State of Illinois or under this Ordinance by such suits, actions or proceedings in equity or at law,
either for the specific performance of any covenant or contract contained herein or in aid or
execution of any power herein granted or for any legal or equitable remedy as the Trustee shall
deem most effectual to protect and enforce the rights aforesaid.

Section 4. Representation of Parity Bondholders by Trustee. The Trustee is hereby
irrevocably appointed (and the Parity Bondholders, by accepting and holding the same, shall be
conclusively deemed to have so appointed the Trustee and to have mutually covenanted and
agreed, each with the other, not to revoke such appointment) as true and lawful attorney-in-fact
of the Parity Bondholders with power and authority, at any time in its discretion:

(1) Pursuant to this Ordinance or the Tax Increment Act or any law, after the
happening of an Event of Default, (a) by action in lieu of mandamus or other prerogative writ or
by other suit, action or proceeding in equity or at law, to enforce all rights of the Parity
Bondholders including the right to require the Village and the members and officers thereof to
fulfill any covenant or agreement with the Parity Bondholders and to perform its and their duties
under this Ordinance and the Tax Increment Act, (b) to bring suit upon the Parity Bonds, (c) by
action or suit in equity, to require the Village to account as if it were a trustee of an express trust for the Parity Bondholders, or (d) by action or suit in equity, to enjoin any acts or things which may be lawful or in violation of the rights of the Parity Bondholders; and

(2) To make and file in any proceeding for the adjustment of the debts of the Village either in the respective names of the Parity Bondholders or on behalf of all the Parity Bondholders as a class, any proof of debt, amendment of proof of debt, petition or other document, to receive payment of any sums becoming distributable to the Parity Bondholders, and to execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Trustee in order to have the respective claims of the Parity Bondholders against the Village allowed in any such proceeding.

Section 5. Limitation on Powers of Trustee. Nothing in this Ordinance contained shall be deemed to give power to the Trustee either as such or as attorney in fact of the Parity Bondholders to vote the claims of the Parity Bondholders in any bankruptcy proceeding or to accept or consent to any plan or reorganization, readjustment, arrangement or composition of other like plan, or by other action of any character to waiver or change any right of any Parity Bondholder to any modification or amendment of this Ordinance requiring such consent or to any ordinance requiring such consent pursuant to the provisions of Article XIV.

Section 6. Action by Trustee.

(1) All rights of action under this Ordinance or upon any of the Parity Bonds, enforceable by the Trustee, may be enforced by the Trustee without the possession of any of the Parity Bonds, or the production thereof at the trial or other proceedings relative thereto, and any
such suit, action or proceeding instituted by the Trustee may be brought in its name for the
ratable benefit of the holders of said Parity Bonds, subject to the provisions of this Ordinance.

(2) In the enforcement of any rights under this Ordinance, the Trustee shall be
entitled to sue for, enforce payment of and to receive any and all amounts then or during any
default becoming, and at any time remaining, due for principal, accreted value, interest or
otherwise under any of the provisions of the Tax Increment Act or this Ordinance or of the Parity
Bonds and unpaid, with interest on overdue payments, together with any and all costs and
expenses of collection and of all proceedings hereunder and under such Parity Bonds, without
prejudice to any other right or remedy of the Trustee or of the Parity Bondholders, and to recover
and enforce judgment or decree against the Village for any portion of such amounts remaining
unpaid, with interest costs and expenses as aforesaid, and to collect in any manner provided by
law, the moneys adjudged or decreed to be payable.

(3) In any action, suit or other proceeding by the Trustee, the fees, counsel fees and
expenses of the Trustee shall constitute taxable costs and disbursements, and all costs and
disbursements, allowed by the court, shall be a first charge on the Incremental Property Taxes
and the Pledged Taxes.

Section 7. Accounting and Examination of Records after Default. The Village
covenants with the Trustee that, if an Event of Default shall have happened and shall not have
been remedied, (1) the books of record and account of the Village and all records relating to the
Sauk Village Tax Increment Redevelopment Area No. II Redevelopment Plan and Project and the
Sauk Village Tax Increment Redevelopment Area No. III Redevelopment Plan and Project shall at
all times be subject to the inspection and use of the Trustee and of its agents and attorneys, and

Ord. 19-020 Genl Ob Ref. Bond
(2) the Village, whenever the Trustee shall demand, will account, as if it were the trustee of an
express trust, for all Incremental Property Taxes and Pledged Taxes pledged or held under this
Ordinance for such period as shall be stated in such demand.

**Section 8. Priority of Payments After Default.**

In the event that upon the happening and continuance of any Event of Default, the funds
held by the Trustee shall be insufficient for the payment of the principal of, accreted value, the
interest on and the redemption premium, if any, due on the Parity Bonds that are the subject of
the Event of Default, such funds (other than funds held for the payment or redemption of
particular Parity Bonds which have theretofore become due at maturity or by call for redemption)
and any other moneys received or collected by the Trustee, after making provision for the
payment of any expenses necessary to protect the interests of the holders of the Parity Bonds
and for the payment of the charges and expenses (including attorneys’ fees) and liabilities
incurred and advances made by the Trustee in the performance of their respective duties under
this Ordinance, shall be applied as follows:

**FIRST:** To the payment to the persons entitled thereto of all installments of
interest then due in the order of the due dates of such installments, and, if the amount available
shall not be sufficient to pay in full any installment, then to the payment thereof ratably,
according to the amounts due on such installment, to the persons entitled thereto, without any
discrimination or preference, and

**SECOND:** To the payment to the persons entitled thereto of the unpaid principal,
accreted value, or redemption price, if any, of any Parity Bonds which shall have become due,
whether at maturity or by call for redemption, in the order of their due dates and, if the amounts
available shall not be sufficient to pay in full all the Parity Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal, accreted value, or redemption price, if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

Whenever moneys are to be applied by the Trustee pursuant to the provisions of this Section, interest on the amounts of principal to be paid on such date of application shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the holder of any unpaid Parity Bonds unless such Parity Bonds shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

**Section 9. Remedies Not Exclusive.** No remedy by the terms of this Ordinance conferred upon or reserved to the Trustee (or to Parity Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given hereunder now or hereafter existing at law or in equity or by statute, except as otherwise provided herein.

**Section 10. Effect of Waiver and Other Circumstances.** No delay or omission of the Trustee or of any Parity Bondholders to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or acquiescence therein, and every right, power and remedy given by this Ordinance to them or any of them may be exercised from time to time and as often as may be deemed expedient by the Trustee or, in an appropriate case, by the Parity Bondholders. In case the Trustee shall have proceeded to enforce any right under this Ordinance, and such proceedings shall have been
discontinued or abandoned for any reason, or shall have been determined adversely to the
Trustee, then and in every such case the Village, the Parity Bondholders and the Trustee will be
restored to their former positions and rights hereunder with respect to all rights, remedies and
powers of the Trustee and the Parity Bondholders, which shall continue as if no such proceedings
had been taken.

Section 11. Notice of Default. The Trustee shall give to the Parity Bondholders notice
of each Event of Default of which it has actual notice, unless such Event of Default shall have
been Remedied or cured or necessary amounts provided before the giving of such notice; but,
except in the case of default in the payment of the principal of, accreted value, the interest on
and the redemption premium, if any, due on of the Parity Bonds the Trustee shall be protected
in withholding such notice if and so long as the Trustee in good faith determines that the
withholding of such notice is in the interest of the Parity Bondholders. Each such notice shall be
given by the Trustee by mailing written notice to each holder of Parity Bonds at his address,
appearing upon the registration books.

The Trustee

Section 1. Appointment. The entity set forth in the Bond Determination is hereby
appointed as Trustee hereunder, and the property, rights, powers and duties of the Trustee
under this Ordinance are hereby vested in said Trustee in trust for the Parity Bondholders. The
Trustee shall signify its acceptance of the duties and obligations imposed upon it by this
Ordinance by executing the certificate of authentication endorsed upon the Parity Bonds, and,
by executing such certificate upon any Parity Bond, the Trustee shall be deemed to have accepted

Ord. 19-020 Genl Ob Ref. Bond
such duties and obligations not only with respect to the Parity Bond so authenticated, but with respect to all the Parity Bonds thereafter to be issued, but only, however, upon the terms and conditions set forth in this Ordinance.

Section 2. Responsibilities of Trustee.

(1) The recitals of fact herein and in the Parity Bonds contained shall be taken as the statements of the Village and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Ordinance or of any Parity Bonds or in respect of the security afforded by this Ordinance, and the Trustee shall not incur any responsibility in respect thereof. The Trustee shall, however, be responsible for its representation contained in its certificate of authentication on the Parity Bonds. The Trustee shall not be under any responsibility or duty with respect to the issuance of the Parity Bonds for value or the application of the proceeds thereof, except to the extent such proceeds are paid to the Trustee in its capacity as Trustee, or the application of any moneys paid to the Village or others in accordance with this Ordinance. The Trustee shall not be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any action or suit in respect of this Ordinance or the Parity Bonds or to advance any of its own moneys, unless properly indemnified. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or default.

(2) The Trustee, prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Ordinance. In case an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers

Ord. 19-020 Genl Ob Ref. Bond
vested in it by this Ordinance, and use the same degree of care and skill in their exercise, as a
prudent man would exercise or use under the circumstances in the conduct of his own affairs.

Section 3. Funds Held in Trust. All moneys held by the Trustee, as such, at any time pursuant to the terms of this Ordinance shall be and hereby are assigned, transferred and set over unto the Trustee in trust for the purposes and under the terms and conditions of this Ordinance.

Section 4. Evidence on Which Trustee May Act. The Trustee shall be protected in acting upon any notice, ordinance, resolution, request, consent, order, certificate, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Trustee may consult with and rely on the advice or opinion of accountants with respect to any appropriate matter, including verification of any mathematical computation required to be made. Whenever the Trustee shall deem it necessary or desirable that a fact or matter be proved or established prior to taking or suffering any action hereunder, such fact or matter, unless other evidence in respect thereof be therein specifically prescribed, may be deemed to be conclusively proved and established by an Officer’s Certificate stating the same, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter.

Section 5. Compensation and Expenses. Unless otherwise provided by contract with the Trustee, the Village shall pay to the Trustee from time to time reasonable compensation in accordance with existing fee schedules, for all services rendered by it hereunder, and also reimbursement for all its reasonable expenses, charges, legal, accounting and engineering fees and other disbursements and those of its attorneys, agents and employees, incurred in and about
the performance of its powers and duties hereunder. The Village shall indemnify and save the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder and which are not due to its gross negligence or willful default.

Section 6.  Resignation. The Trustee may at any time resign and be discharged of its duties and obligations by giving not less than sixty days’ written notice to the Village and mailing notice thereof to each Parity Bondholder within twenty days after the giving of such written notice. Such registration shall take effect when a successor shall have been appointed by the Village or Parity Bondholders as herein provided.

Section 7.  Removal. The Village may remove the Trustee at any time, except during the existence of an Event of Default, for such cause as shall be determined in the sole discretion of the Village by filing with the Trustee an instrument signed by a Village Officer. The Trustee as Trustee of the Parity Bonds may be removed at any time by the holders of a majority in principal amount of the Outstanding Parity Bonds for which the Trustee was acting as Trustee, excluding any Parity Bonds held by or for the account of the Village, by an instrument or concurrent instruments in writing signed and delivered to the Village. Copies of each such instrument shall be delivered by the Village to the Trustee.

Section 8.  Appointment of Successor. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee or of its property shall be appointed, or if any public officer or court shall take charge or control of the Trustee or of its property or affairs, a successor may be appointed by the holders of a majority in principal amount of the Outstanding Parity Bonds for which the Trustee was acting as Trustee, excluding any Bonds
held by or for the account of the Village, by an instrument or concurrent instruments in writing signed by such Parity Bondholders or their attorneys duly authorized in writing and delivered to such successor Trustee, notification thereof being given to the Village and the predecessor Trustee. Pending such appointment, the Village agrees to forthwith appoint a Trustee to fill such vacancy until a successor Trustee shall be appointed by Parity Bondholders. If in a proper case no appointment of a successor Trustee shall have given to the Village written notice of resignation as provided in Section 6 of this Article or after the occurrence of any other event requiring or authorizing such appointment, any Parity Bondholder may apply to any court of competent jurisdiction to appoint a successor. Any Trustee appointed under the provisions of this Section shall be a bank, trust company or national banking association, having its principal office in the State of Illinois, having trust powers and authorized to perform all the duties imposed upon it by this Ordinance.

Section 9. Transfer of Rights and Property to Successor. Any successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Village, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, but the Trustee ceasing to act shall nevertheless, on the written request of the Village or of the successor Trustee, execute, acknowledge and deliver such instruments of conveyance and further assurance as may be required to vest and confirm in such successor Trustee all rights, title and interest of the predecessor Trustee in and to any property held by it, and shall pay over, assign and deliver to such successor Trustee any moneys or other property subject to the trusts and

Ord. 19-020 Genl Ob Ref. Bond
conditions herein set forth. The Village hereby agrees to deliver, or cause to be delivered, any deed, conveyance or instrument required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such moneys, estates, properties, rights, powers and duties.

Section 10. Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party, or any company to which such Trustee or any public officer or court may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Trustee without the execution or filing of any paper or the performance of any further act; provided, however, that such company shall be a bank, trust company or national banking association which is qualified to be a successor to the Trustee under Section 8 of this Article.

Section 11. Adoption of Authentication. In case any of the Bonds contemplated to be issued under this Ordinance shall have been authenticated but not delivered, any successor Trustee may adopt the certification of authentication of any predecessor Trustee so authenticating such Bonds and deliver such Bonds so authenticated, and in case any of the said Bonds shall not have been authenticated, any successor Trustee may authenticate such Bonds in the name of the predecessor Trustee or in the name of the successor Trustee.

Section 12. Certain Permitted Acts. The Trustee may become the owner of or may deal in Parity Bonds as fully and with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depositary for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee

Ord. 19-020 Genl Ob Ref. Bond
formed to protect the rights of Parity Bondholders or effect or aid in any readjustment of debts growing out of the enforcement of the Parity Bonds or this Ordinance, whether or not any such committee shall represent the holders of a majority in aggregate principal amount of the Outstanding Parity Bonds.

**ARTICLE XVII**

**Bank Qualification**

The Village is authorized to designate each of the Bonds as a “qualified tax-exempt obligation” for the purposes and within the meaning of Section 265(b)(3) of the Code if provided in the Bond Determination.

**ARTICLE XVIII**

**Alternate Bonds; General Obligations; Tax Levy**

The Bonds are and constitute “Alternate Bonds” under the Act, anticipated to be payable from applicable Incremental Pledged Revenues. The Bonds shall share equally and ratably as to payment in the Incremental Pledged Revenues applicable to the Bonds. Under and pursuant to Section 15 of the Act, the full faith and credit of the Village are hereby irrevocably pledged to the punctual payment of the principal of, premium, if any, and interest on such Bonds; and such Bonds shall be direct and general obligations of the Village; and the Village shall be obligated to levy the Pledged Taxes for the payment of the Bonds and the interest thereon, as provided herein.

The applicable Incremental Pledged Revenues for the Bonds are determined by the Corporate Authorities to be sufficient to provide for or pay in each year to final maturity of the Bonds, as applicable, the following: (1) the debt service on all outstanding revenue bonds
payable from the Incremental Pledged Revenues, (2) all amounts required to meet any fund or account requirements with respect to such outstanding revenue bonds, (3) other contractual or tort liability obligations, if any, payable from the Incremental Pledged Revenues, and (4) in each year, an amount not less than 1.25 times debt service of all (i) Alternate Bonds payable from the Incremental Pledged Revenues previously issued and outstanding, and (ii) Alternate Bonds payable from the Incremental Pledged Revenues proposed to be issued, including the Bonds.

The Incremental Pledged Revenues are determined by the Corporate Authorities to provide in each year an amount not less than 1.25 times debt service (as defined in Section 3 of the Act) of Alternate Bonds payable from such revenue sources previously issued and outstanding, and Alternate Bonds proposed to be issued. Such conditions enumerated need not be met for that amount of debt service (as defined in Section 3 of the Act) provided for by the setting aside of proceeds of bonds or other moneys at the time of the delivery of such bonds. The Incremental Pledged Revenues are determined by the Corporate Authorities to provide in each year all amounts required to meet any fund or account requirements with respect to the Bond Ordinance, any contractual or tort liability obligations, if any, payable from Incremental Pledged Revenues, and an amount not less than 1.25 times debt service (as defined in Section 3 of the Act) of all of the outstanding bonds, payable from such Incremental Pledged Revenues.

The determination of the sufficiency of the Incremental Pledged Revenues for the Bonds is expected to be supported by reference to the most recent audit of the Village, which was for a Fiscal Year ending not earlier than 18 months previous to the time of issuance of the Bonds. If such Incremental Pledged Revenues are shown to be insufficient, the determination of sufficiency is to be supported by a report of an independent accountant or feasibility analyst, the
latter having a national reputation for expertise in such matters and not otherwise associated with the prior project, demonstrating the sufficiency of such revenues and explaining, if appropriate, by what means Incremental Pledged Revenues are to be greater than as shown in the audit.

For the purpose of providing the money required to pay the interest on the Bonds when and as the same falls due and to pay and discharge the principal thereof as the same shall mature, there shall be levied upon all the taxable property within the Village’s corporate limits in each year while any of the Bonds shall be Outstanding, a direct annual tax sufficient for that purpose and there is hereby levied upon all of the taxable property within the Village’s corporate limits, in addition to all other taxes, the following direct annual taxes, in the amounts for each year not to exceed $3,098,600 for any year commencing not before 2019 (collectible 2020) and ending not later than 2027 (collectible 2029), as shall be specified in the Bond Determination.

Interest or principal coming due at any time when there are insufficient funds on hand from the Incremental Pledged Revenues to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the Pledged Taxes herein levied; and when the Incremental Pledged Revenues shall have been collected, reimbursement shall be made to said funds in the amount so advanced.

ARTICLE XIX

Filing with County Clerk

After this Ordinance becomes effective, a copy hereof, certified by the Village Clerk, shall be filed with the County Clerk of Cook County, Illinois (the “County Clerk”), who are hereby directed to ascertain the rate required to produce the aggregate Pledged Taxes hereinbefore

Ord. 19-020 Genl Ob Ref. Bond
provided to be levied in each of the applicable years; and the County Clerk shall extend the same for collection on the tax books in connection with other taxes levied in said years, in and by the Village for general corporate purposes of the Village; and in said years such Pledged Taxes shall be levied and collected by and for and on behalf of the Village in like manner as taxes for general corporate purposes of the Village for said years are levied and collected, and in addition to and in excess of all other taxes.

ARTICLE XX

Abatement of Pledged Taxes

As part of the plan of financing of the Parity Bonds, it is intended and anticipated that tax revenues deposited in the TIF Number II Special Tax Allocation Fund and the TIF Number III Special Tax Allocation Fund be transferred to the Bond Fund and used to abate the taxes hereby levied. Unless otherwise directed by ordinance, the Treasurer of the Village shall deposit from the TIF Number II Special Tax Allocation Fund and the TIF Number III Special Tax Allocation Fund the amount of tax revenues available which shall result in taxes to be abated, and such deposit shall be made prior to any such abatement being filed with the County Clerk as the tax extension officers for the Village. No taxes will be abated unless and until the full amount of such abatement has been deposited irrevocably into the Bond Fund and dedicated to the payment of such Parity Bonds.

ARTICLE XXI

Use of Proceeds

The proceeds of the Bonds and any premium received on the delivery of the Bonds, together with such funds of the Village as may be necessary, shall be used to refund the Prior...
Bonds and shall be deposited in trust (the “Escrow Account”) with an escrow agent to be set forth in the Bond Determination, solely for the purpose of refunding the Prior Bonds. The Mayor and the Village Clerk shall be hereby authorized, empowered and directed to execute and deliver one or more escrow or refunding agreements typical in a refunding transaction of this nature with such changes therein as such officers executing such agreements on behalf of the Village shall approve, their execution thereof to constitute conclusive evidence of their approval of such changes, all as further set forth in the Bond Determination, as applicable. The balance of the proceeds of the Bonds shall be deposited to the Expense Account.

**ARTICLE XXII**

**Incremental Pledged Revenues and Pledged Taxes**

The Incremental Pledged Revenues and the Pledged Taxes shall be set aside as collected and shall be deposited with the Trustee as provided in this Ordinance. The Parity Bonds are secured by the Incremental Pledged Revenues and such Incremental Pledged Revenues on deposit in the TIF Number II Special Tax Allocation Fund and TIF Number III Special Tax Allocation Fund are hereby appropriated for the purpose of paying the principal of, premium, if any, accreted value and interest on the Parity Bonds in accordance with this Ordinance, as supplemented, amended, or superseded by the Bond Determination, and such pledge and appropriation are irrevocable until the Parity Bonds have been paid in full or until the obligations of the Village are discharged under this Ordinance.
ARTICLE XXIII

Use of Parity Bond Proceeds

The Village will cause the proceeds of the initial sale of the Parity Bonds to be deposited with the Trustee for deposit in the funds and accounts as provided for herein. The Trustee will hold those proceeds in trust for the benefit of the Bondholders to pay such amounts as required to complete the Sauk Village Tax Increment Redevelopment Area No. III Redevelopment Plan and Project and will apply the proceeds in accordance with this Ordinance and the Bond Determination.

ARTICLE XXIV

Tax Allocation Fund

The TIF Number II Special Tax Allocation Fund and TIF Number III Special Tax Allocation Fund shall be maintained and administered by the Trustee in accordance with the provisions of the respective ordinances under which each was authorized. The Village shall deposit into the TIF Number II Special Tax Allocation Fund and TIF Number III Special Tax Allocation Fund the incremental property tax revenues generated within TIF No. II Redevelopment Project Area and TIF No. III Redevelopment Project Area, respectively, from time to time and the interest earned on the investment of such revenues from time to time, in accordance herewith. Moneys held in the TIF Number II Special Tax Allocation Fund and TIF No. III Special Tax Allocation Fund are to be used for the payment of the principal, premium, if any, accreted value and interest on the Parity Bonds and the payment of Redevelopment Project Costs.
ARTICLE XXV

Not Private Activity Bonds

None of the Parity Bonds is a “private activity bond” as defined in Section 141(a) of the Code. In support of such conclusion, the Village certifies, represents and covenants as follows:

(a) No direct or indirect payments are to be made on any Parity Bond with respect to any private business use by any person other than a state or local governmental unit.

(b) None of the proceeds of the Parity Bonds is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

ARTICLE XXVI

General Arbitrage Covenants

The Village represents and certifies as follows with respect to the Parity Bonds:

(1) The Village has not been notified of any disqualification or proposed disqualification of it by the Commissioner of the Internal Revenue Service as a bond issuer which may certify bond issues under Treasury Regulations Section 1.148-2(b)(2); and

(2) Moneys on deposit in any fund or account in connection with the Parity Bonds, whether or not such moneys were derived from the proceeds of the sale of the Parity Bonds or from any other source, will not be used in a manner which will cause the Parity Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and any lawful regulations promulgated thereunder, as the same presently exist or may from time to time hereafter be amended, supplemented or revised.
ARTICLE XXVII

Arbitrage Rebate

The Village certifies and covenants as follows with respect to the requirements of Section 148(f) of the Code, relating to the rebate of “excess arbitrage profits” (the “Rebate Requirement”) to the United States as they relate to the Parity Bonds:

(1) Unless an applicable exception to the Rebate Requirement is available to the Village, the Village will meet the Rebate Requirement.

(2) Relating to applicable exceptions, the Village Treasurer or the Mayor is hereby authorized to make such elections under the Code as either such officer shall deem reasonable and in the best interests of the Village. If such election may result in a “penalty in lieu of rebate” as provided in the Code, and such penalty is incurred (the “Penalty”), then the Village shall pay such Penalty.

(3) The officers of the Village shall cause to be established, at such time and in such manner as they may deem necessary or appropriate hereunder, the Rebate Fund, and such officers shall further, not less frequently than annually, cause to be transferred to the Rebate Fund the amount determined to be the accrued liability under the Rebate Requirement or Penalty. Said officers shall cause to be paid to the United States, without further order or direction from the Corporate Authorities, from time to time as required, amounts sufficient to meet the Rebate Requirement or to pay the Penalty.

(4) Interest earnings in the TIF Number II Special Tax Allocation Fund and TIF Number III Special Tax Allocation Fund are hereby authorized to be transferred, without further order or direction from the Corporate Authorities, from time to time as required, to the Rebate
Fund for the purposes herein provided; and proceeds of the Parity Bonds and other funds of the
Village are also hereby authorized to be used to meet the Rebate Requirement or to pay the
Penalty, but only if necessary after application of investment earnings as aforesaid and only if
appropriated by the Corporate Authorities.

ARTICLE XXVIII

Further Tax Covenants

The Village covenants with the Parity Bondholders, from time to time outstanding that it:
(i) will take all actions which are necessary to be taken (and avoid any actions which it is necessary
to avoid taking) so that interest on the Parity Bonds will not be or become included in gross
income for federal income tax purposes under existing law including, without limitation, the
Code; (ii) will take all actions reasonably within its power to take which are necessary to be taken
(and avoid taking any actions which are reasonably within its power to avoid taking and which it
is necessary to avoid) so that interest on the Parity Bonds will not be or become included in gross
income for federal income tax purposes under the federal income tax laws as in effect from time
to time; and (iii) will take no action in the investment of the proceeds of the Parity Bonds, the TIF
Number II Special Tax Allocation Fund and TIF Number III Special Tax Allocation Fund, or any
other fund of the Village which would result in making interest on the Parity Bonds subject to
federal income taxes by reason of causing the Parity Bonds to be “arbitrage bonds” within the
meaning of Section 148 of the Code. In furtherance of the foregoing provisions, but without
limiting their generality, the Village agrees: (i) through its officers, to make such further specific
covenants, certifications and representations as shall be truthful, and assurances as may be
necessary or advisable; (ii) to comply with all representations, covenants and assurances

Ord. 19-020 Genl Ob Ref. Bond
contained in certificates or agreements as may be prepared by counsel approving the Parity Bonds; (iii) to consult with such counsel and to comply with such advice as may be given; (iv) to file such forms, statements and supporting documents as may be required and in a timely manner; and (v) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the Village in such compliance.

ARTICLE XXIX

Registered Form

The Village recognizes that Section 149(a) of the Code requires the Parity Bonds to be issued and to remain in fully registered form in order that interest thereon is exempt from federal income taxation under laws in force at the time the Parity Bonds are delivered. In this connection, the Village agrees that it will not take any action to permit the Parity Bonds to be issued in, or converted into, bearer or coupon form.

ARTICLE XXX

List of Parity Bondholders

The Bond Registrar shall maintain a list of the names and addresses of the holders of all Parity Bonds and upon any transfer shall add the name and address of the new Parity Bondholder and eliminate the name and address of the transferor Parity Bondholder.

ARTICLE XXXI

other obligations of the Village to the Bondholders hereunder shall be discharged and satisfied.
In such event, the Trustee shall, upon the request of the Village expressed in an Officer’s
Certificate delivered to the Trustee, execute and deliver to the Village all such instruments as

Except as provided below in this Article, neither the Federal Obligations or any moneys so deposited with the Trustee nor any moneys received by the Trustee on account of principal of or interest on said Federal Obligations shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal or redemption price of the Bonds for the payment or redemption of which they were deposited and the interest accrued thereon to the date of maturity or redemption.

In the event that the principal and/or interest on any insured Bond shall be paid by the Bond Insurer pursuant to the applicable Bond Insurance Policy, such insured Bond shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Village, and the assignment and pledge of the Pledged Taxes and Incremental Pledged Revenues and all covenants, agreements and other obligations of the Village to the holder of

There is no representation that the available documents and materials include all incentives and program available to the project.

The Zone Administrator shall file a copy of the Enterprise Zone’s fee schedule with the Department of Commerce and Economic Opportunity by April 1 of each year.
