WHEREAS, the property located at 22243 Chappel Avenue, Sauk Village, Illinois (the "Subject Property") is located in an area zoned R-1 (the "R-1 District"); and

WHEREAS, Vance and Phyllis Persons (the "Applicants") submitted a request to the Village of Sauk Village (the "Village") to construct an asphalt driveway, lined with concrete pavers, on the Subject Property that is twenty-two (22) feet wide at the garage end, thirty-eight and one-half (38.5) feet long and narrowing to twenty (20) feet wide at the sidewalk end; and

WHEREAS, constructing a driveway that is wider than the garage to which it provides access would not be permitted without a land use variance; and

WHEREAS, in accordance with all applicable public notice requirements contained in the Code, on or about September 14, 2009, the Village's Zoning Board of Appeals/Plan Commission (the "ZBA") met, convened and conducted a public hearing; and

- NOW, THEREFORE, BE IT ORDAINED by the President and the Board of Trustees of the Village of Sauk Village, Cook and Will Counties, Illinois, as follows:
- **SECTION 1**: The statements set forth in the preambles to this Ordinance are true and correct and are adopted as a part of this Ordinance.

- **SECTION 3:** The land use variance granted hereunder is subject to the restrictions that were specified by the ZBA. The land use variance shall terminate if the Applicants deviate at all from the plans submitted to the Village. If the Applicants find that deviation from the submitted plans is necessary, new plans reflecting such deviations must be resubmitted to the ZBA and the Village Board for approval.
- SECTION 4: This Ordinance shall not affect suits pending or rights existing at the time this Ordinance takes effect, but such suits and rights shall continue in force to the same extent and with like effect as if this Ordinance be taken, construed or held to avoid or impair any cause of action now existing under any Ordinance of the Village, or any amendment thereto, but as to any consideration of action now existing, such ordinance and amendment thereto, shall be continued in full force and effect.

FINDINGS OF FACT AND RECOMMENDATION OF THE ZONING BOARD OF APPEALS/PLAN COMMISSION

RE: 22243 Chappel Avenue, Sauk Village, Illinois 60411 (the "Subject Property")

GRANT OF A LAND USE VARIANCE

On or about September 14, 2009, the Village of Sauk Village Zoning Board of Appeals/Plan Commission recommended granting a land use variance to construct an asphalt driveway on the Subject Property, based on the following:

- 1. The Subject Property is located in an area zoned R-1;
- 2. Vance and Phyllis Persons (the "Applicants") submitted a request to the Village of Sauk Village (the "Village") seeking a land use variance to construct an asphalt driveway, lined with concrete pavers, which is twenty-two (22) feet wide at the garage end, thirty-eight and one-half (38.5) feet long and narrowing to twenty (20) feet wide at the sidewalk end, on the Subject Property;
- 3. In accordance with the Illinois Compiled Statutes and the Village's Unified Development Code (the "Code"), notice of the hearing regarding the Applicants' requested zoning relief was published in one or more newspapers published in the Village;
- The Applicants provided credible evidence showing that: (a) carrying out the 4. strict letter of the provisions of the Code would create a practical difficulty or particular hardship; (b) the Subject Property is exceptional, as compared to other properties subject to the same provisions, by means of a unique physical condition; (c) the aforementioned physical condition is not the result of any action or inaction of the property owner or his/her predecessors in title, and it existed at the time of enactment of the provisions from which a variation was sought, was created by natural forces or was the result of government action; (d) the carrying out of the strict letter provisions from which a variation is sought would deprive the owner of the Subject Property of substantial rights commonly enjoyed by owners of the other properties subject to the same provisions; (e) the alleged hardship or difficulty is neither merely the inability of the owner or occupants to enjoy some special privilege or additional right not available to owners or occupants of other lots or properties subject to the same provisions, nor merely the inability of the owner to gain a greater financial return from the use of the Subject Property; (f) the land use variation would not result in a use of development of the Subject Property that would not be in harmony with the general and specific provisions of the Code, including the provision from which a variation is sought, or the general purpose and intent of the Comprehensive Plan of the Village; (g) there is no means other than granting the requested variation by

which the alleged hardship or difficulty can be avoided or remedied to a degree sufficient to permit a reasonable use of the Subject Property; and (h) the requested variation is the minimum measure of relief necessary to alleviate the alleged hardship or difficulty presented by the strict application of the Code.

CONCLUSION

The Applicants showed that the requested land use relief would comply with the requirements set forth in the Code. The Applicants provided evidence showing that the request met the Standards for Issuance of a Variance contained in Section 4.2(D) of the Code. Based on the foregoing, the ZBA recommends granting a special use permit to operate a used car sales lot at the Subject Property.

Employee has a retirement package, including pension benefits and medical insurance, provided by Ford Motor Company. The Village shall not reimburse or otherwise compensate Employee in the event that Employee's aforementioned retirement package or Social Security benefits are cancelled, reduced, modified or in any other manner affected, whether the same is caused by Employee's employment with the Village or any other reason.
- A.8 Ratification by Ordinance. Notwithstanding any other provision of this Agreement, the Parties agree that the provisions of this Section 4 are subject to the annual ratification of the Village's appropriation ordinance. The Parties acknowledge that this Agreement is an exception to the prior appropriation requirement of Section 8-1-7 of the Illinois Municipal Code (65 ILCS 5/8-1-7).
- 5. <u>TERMINATION</u>. This Agreement may be terminated by Employee upon thirty (30) days prior written notice to the Village. This Agreement may be terminated by the Village in accordance with the provisions of the Village Code including, without limitation Section 34.21.

The Property is acknowledged by Employee to be the Village's property, which is only entrusted to Employee on a temporary basis in his capacity as the Fire Chief.
- 7. <u>EMPLOYEE MANUAL</u>. The Parties agree that the Employee Manual shall govern with regard to any provision not specifically provided for by this Agreement.
 - 7.1 JOB POSTING REQUIREMENT. The Corporate Authorities have determined that it is in the best interests of the Village to waive the five (5) day job posting requirement set forth by Article Three,

Section Two of the Employee Manual with regard to the Fire Chief position.

- 8. <u>WAIVER</u>. Employee intends to and does hereby waive any claim of a right to receive any medical insurance or pension benefits from the Village during his employment as the Fire Chief.

Employee represents and warrants to the Village that the statements and other representations made by Employee to the Village during the hiring and interview process including, without limitation any written materials submitted to the Village and statements made to the Village by Employee and Employee's references, are true and accurate. Employee shall defend, indemnify and hold harmless the Village, its officials, elected and appointed, employees and agents for and against any liability the Village may incur as the result of its reliance upon any of the aforementioned statements or other representations that are found to have been false or misleading.
- 10. <u>NO REPRESENTATIONS AND WARRANTIES</u>. The Village makes no representations or warranties with regard to the retirement package, including pension benefits and medical insurance, that Employee receives from any third-party source including, without limitation the existence or sufficiency of the same. The provisions of this Agreement shall not be affected by any loss or diminution of the same.
- 11. CONFIDENTIALITY. Employee agrees not to disclose or divulge any "Confidential Information" to any other person or entity, except during Employee's employment with the Village when required due to the nature of Employee's duties or as required by law. For purposes of this Agreement, "Confidential Information" shall include any of the Village's business or financial information or any other confidential information that is disclosed to Employee or that Employee otherwise learns in the course of his employment. ORDINANCE NO. 09 - 48

AN ORDINANCE AUTHORIZING AND APPROVING THE EXECUTION OF AGREEMENTS FOR THE PURCHASE OF A PUMPER FIRE TRUCK FOR THE VILLAGE OF SAUK VILLAGE, ILLINOIS

WHEREAS, the Village of Sauk Village, Counties of Cook and Will, State of Illinois (the "Village") is a duly organized and existing village and unit of local government created under the provisions of the laws of the State of Illinois, and is operating under the provisions of the Illinois Municipal Code, as supplemented and amended, with the full power to enact ordinances and adopt resolutions for the benefit of its residents; and

WHEREAS, the Sauk Village Fire Department (the "SVFD") protects the public by responding to fires and other emergencies; and

WHEREAS, to ensure that the SVFD can properly execute its duties, it is necessary for the SVFD to have functional fire trucks; and

WHEREAS, the Sauk Village Fire Chief determined that the SVFD was in need of a new fire truck; and

WHEREAS, previously, the Sauk Village Fire Chief requested that the Village acquire a pumper fire truck (the "Pumper") from Crimson Fire, Inc. ("Crimson") to perform essential government functions; and

WHEREAS, the Board of Trustees of the Village (the "Village Board") and the Village Mayor, who is also the President of the Village Board, (the "President" and with the Village Board, the "Corporate Authorities") deemed it advisable and necessary for the operation of the SVFD and the health, safety and welfare of the residents of the Village to purchase the Pumper; and

WHEREAS, pursuant to Section 11-61-3 of the Illinois Municipal Code (65 ILCS 5/11-61-3), the Corporate Authorities have the express power to purchase or lease personal property for public purposes through contracts that provide for the consideration for such purchase or lease to be paid through installments to be made at stated intervals during a certain period of time, but, in no case, shall such contracts provide for the consideration to be paid during a period of time in excess of twenty (20) years; and

WHEREAS, based on the foregoing, the Village entered into a purchase agreement with Crimson (the "Agreement"), attached hereto and incorporated herein as Exhibit A; and

- WHEREAS, to finance the purchase of the Pumper, it is now necessary for the Village to pay for the Pumper in installments; and
- WHEREAS, after the review and approval by the Village Board, the Corporate Authorities authorize the Village Attorney (the "Attorney") to negotiate, draft, approve and execute an addendum to the Agreement (the "Addendum"), a draft of which is attached hereto and incorporated herein as Exhibit B, which will allow the Village to pay for the Pumper in installments instead of with a lump sum payment; and
- WHEREAS, after the review and approval by the Village Board, the Corporate Authorities also authorize the Attorney to negotiate, draft, approve and execute a lease agreement (the "Lease") in accordance with the terms set forth in the Tax Exempt Lease Quote, attached hereto and incorporated herein as Exhibit C, which Lease will set forth the terms under which Crimson will lease the Pumper to the Village until such time as the final payment is made and the Village owns the Pumper outright; and
- WHEREAS, funds are currently available and have been or will be appropriated for any and all payments for the Pumper in accordance with the terms of the Lease; and
- WHEREAS, the Corporate Authorities have determined that it is necessary, advisable and in the best interests of the Village to take all steps necessary to finance the purchase of the Pumper in accordance with the terms of the Lease; and
- WHEREAS, the Corporate Authorities find that it is advisable, necessary and in the best interests of the Village and its residents to approve and execute the Addendum and the Lease; and
- WHEREAS, the President is authorized to enter into and the Attorney is authorized to review and amend agreements for the Village making such insertions, omissions and changes as shall be approved by the President and the Attorney, in concert with the terms agreed to and directed by the Corporate Authorities;

CONTRACT

THIS CONTRACT ("Contract") is made by and between Crimson Fire, Inc. ("Crimson Fire") and The Village of Sauk Village, 21801 Torrence Avenue, Sauk Village, IL 60411 ("Customer"). This Contract will not become binding upon Crimson Fire until it is executed by an officer of Crimson Fire, and the effective date of the Contract ("Effective Date") will be the date that the Crimson Fire officer executes the Contract. The parties hereby agree as follows:

- (1) Subject to the terms of this Contract, Crimson Fire shall furnish, and Customer shall purchase, the apparatus and equipment ("Apparatus and Equipment") described and in accordance in all material respects with the specifications ("Original Specifications") submitted with the bid proposal (the "Bid Proposal"). In the event there is any conflict between Original Specifications and the Bid Proposal, the Original Specifications will prevail. The Bid Proposal and the Original Specifications are attached hereto as Group Exhibit A and are incorporated herein.
- (2) This Contract for Apparatus and Equipment conforms to all Federal Department of Transportation (DOT) and Environmental Protection Agency (EPA) rules and regulations and to all National Fire Protection Association (NFPA) Guidelines for Automotive Fire Apparatus in effect as of the Effective Date. Any increased cost incurred by Crimson Fire because of future changes in or additions to such DOT, EPA or NFPA standards will be passed along to Customer as an addition to the Purchase Price set forth below.
- (3) The Apparatus and Equipment shall be ready for delivery from Crimson Fire's factory, within 365 days after the Effective Date. This delivery timeframe is contingent on completion of a preconstruction meeting and corresponding signed change order returned to the factory within 75 days after the Effective Date. All days exceeding 75 days will be added to the above mentioned delivery timeframe. To meet the 75 day deadline, Crimson Fire commits to have all information necessary for the pre-construction meeting complete within 45 days after the Effective Date. Any further delays after the pre-construction meeting has been completed by the Customer in providing additional desired specifications, change approvals, inspection timelines, or other required information for the Apparatus and Equipment may result in an extension of the above referenced delivery timeline by the amount of time Crimson Fire requires, in its sole but reasonable discretion, to furnish the Apparatus and Equipment following Customer's delay, but in any event by at least the duration of Customer's delay.
- A \$ 200.00 per day penalty clause will be paid to the Customer if the Apparatus and Equipment is not completed within the above referenced delivery timeframe. Any modifications made to the Apparatus and Equipment after a signed pre-construction change order or any delays by Customer as noted above may extend the above quoted delivery timeframe as determined by Crimson Fire. The penalty clause will stop once the Apparatus and Equipment has shipped from Crimson Fire.

- (4) A competent Crimson Fire service representative shall, upon request, be provided to demonstrate any Apparatus and Equipment and/or to give Customer's employees the necessary instructions in the operation and handling of any aspect of the Apparatus and Equipment, at no cost to the Customer.
- (5) In exchange for the Apparatus and Equipment, Customer agrees to pay Crimson Fire the sum of \$451,406.00 ("Purchase Price"). Full payment of the Purchase Price shall be due upon Customer's acceptance of the Apparatus and Equipment, as described in Section 6. Interest at 18 percent per annum, payable monthly, shall be charged on all past due payments. If more than one item of Apparatus and Equipment is covered by this Contract, the above terms of payment shall apply to each item, and an invoice covering each item shall be rendered in the proper amount and paid upon delivery of the item. In the event the Apparatus and Equipment is placed in service prior to payment in full, Crimson Fire reserves the right to charge a rental fee of Three Hundred Fifty Dollars (\$ 350.00) per day. Any applicable taxes not specified noted above will be paid by Customer directly, or will be added to the Purchase Price and paid by Crimson Fire. If Customer claims exemption from any tax, Customer shall furnish applicable exemption certificate to Crimson Fire and hold Crimson Fire harmless from any such tax, interest or penalty which may at any time be assessed against Crimson Fire.
- (6) Acceptance of Apparatus and Equipment shall occur immediately after completion of a final inspection by a representative of Customer at a factory location of Crimson Fire, completion of any discrepancy list, and shipment of Apparatus and Equipment from Crimson Fire's factory location. Upon completion of the final inspection and related discrepancy list, the Apparatus and Equipment shall be conclusively determined to be in full compliance with the terms of this Contract, including without limitation the Original Specifications. Crimson Fire will not surrender to Customer the title to or the statement of origin for the Apparatus and Equipment or provide Customer with any other documentation regarding ownership of the Apparatus and Equipment until Crimson Fire has received full payment of the Purchase Price and taxes.
- (7) Customer shall indemnify Crimson Fire against, and hold Crimson Fire, its agents, employees, officers and directors harmless from, any and all claims, action, suits and proceedings, costs, expenses, damages and liabilities, whether based in negligence, tort, strict liability or otherwise, including attorney's fees and costs, arising out of, connected with, or resulting from this Contract or the Apparatus and Equipment, except to the extent such claims, action, suits and proceedings, costs, expenses, damages or liabilities arise from Crimson Fire's breach of its obligations under this Contract.
- (9) Crimson Fire warrants that, at the time of delivery, the Apparatus and Equipment shall comply in all material respects with the Original Specifications.
- (10) Crimson Fire shall not be liable if performance failure arises out of causes beyond its reasonable control, which causes shall include without limitation acts of God, war, fires, floods, difficulty in procuring materials, equipment or tooling failure, freight embargoes, order of any court, strike, lockout, shortage of labor, failure or delays by suppliers or contractors, or legislative or governmental, or other, prohibitions or restrictions.
- (11) The Apparatus and Equipment shall remain the property of Crimson Fire until the entire Purchase Price for each and every item of Apparatus and Equipment has been paid. In case of a default in payment, Crimson Fire may take full possession of the Apparatus and Equipment, or of the item or items upon which default has been made, and any payments that have been made shall be applied as payment for the use of the Apparatus and Equipment up to the date Crimson Fire takes possession.

on 12-22-2008

VINITED BY A SECTION OF THE SECTION

- (12) This Contract will only be binding on Crimson Fire after it is signed and approved by an officer of Crimson Fire. This Contract (which includes the other documents referenced in this Contract) embody the entire agreement and understanding between the parties with respect to the subject matter of this Contract and supersede all prior oral or written agreements and understandings relating to the subject matter of this Contract. No statement, representation, warranty, covenant or agreement of any kind not expressly set forth in this Contract shall affect, or be used to interpret, change or restrict, the express terms and provisions of this Contract. This Contract cannot be altered or modified except by mutual written agreement signed by the parties. The Customer representative signing this Contract on Customer's behalf represents and warrants that he or she has the authority to sign this Contract and that all necessary action has been taken by Customer to authorize Customer's execution of and performance under this Contract.
- (13) In the event that any court of competent jurisdiction shall determine that any provision, or any portion thereof, contained in this Contract shall be unenforceable in any respect, then the provision shall be deemed limited to the extent that the court deems it enforceable, and as so limited shall remain in full force and effect. In the event that the court shall deem any provision, or portion thereof, wholly unenforceable, the remaining provisions of this Contract shall nevertheless remain in full force and effect.
- (14) This Contract shall be governed by and construed in accordance with the laws of the State of Illinois without reference to its choice of law or conflict of laws provisions. The Parties agree that any suit, action or proceeding with respect to this Contract shall be brought in the courts of Cook County in the State of Illinois or in the United States District Court for the Northern District of Illinois, and hereby waive (i) any objections to such venue and (ii) any claims that such venue constitutes an inconvenient forum.

Memorandum of Understanding

The Community and Economic Development Association of Cook County, Inc. (CEDA) is a comprehensive, private, not-for-profit Community Action Agency serving the diverse needs of low-to middle income residents throughout Cook County, Illinois since its inception in 1965. CEDA's mission throughout its operation is to assist families and communities with services and economic opportunities that allow them to achieve self-sufficiency. In support of this mission, CEDA operates a wide variety of programs designed to assist and equip eligible residents. These programs and services include: Community Nutrition Network Senior Programs, Early Head Start and Head Start services, Emergency Housing, Shelter and Food, Housing Counseling Programs, transitional and veterans housing, Workforce & Economic Development Programs under WIA, Work First and Food Stamp Programs under the Department of Human Services; Low Income Home Energy Assistance (LIHEAP); Women, Infants and Children (WIC); Teen Parent Services, family case management, Small Business Loans, Scholarships, computer literacy classes, Weatherization and Home Repair Services. These services are rendered in a "holistic" manner to assist participants in addressing issues that might pose barriers to their transition to self-sufficiency.

CEDA believes that to be effective, a program or service must be an integral part of the community it serves. Solutions to community issues are identified at the local level and people are best motivated at the local level when getting organized and staying involved. This methodology of operating is what makes CEDA unique. We believe that partnering and collaborating with other community organizations and residents allows us to be proactive when addressing systemic barriers; that once removed, broaden the service spectrum and promote a client's likelihood of attaining goals of acquiring and maintaining affordable housing. CEDA has been providing housing services to empower participants for over forty years.

December 31, 2009 The Honorable Lewis Towers Mayor of Village of Sauk Village Sauk Village, Illinois 60411

Dear Mayor Towers:

This will confirm the terms of our mutual understanding and agreement ("Agreement") in connection with the efforts of Jacobs Group, Inc ("Finder") to obtain financing for the Village of Sauk Village (the "Village") (collectively, Finder and the Village may be referred to herein as the "Parties") as follows:

1. Appointment.

The Village hereby authorizes Finder, on a non-exclusive basis, for a period not more than 60 days (the "Appointment Period"), to identify investors, underwriters, joint venturers, lenders and/or guarantors (collectively "Investors") interested in providing Financing (as defined below) for the Village on terms acceptable to the Village and Investors. The Appointment Period is subject to extension upon mutual agreement between the Finder and the Village.

However, it is agreed that the Finder shall have no continuing role or part of the negotiations or relationship between any Investors that the Finder identifies to the Village (apart from any rights granted under section 2) It is further understood that in the event other consultants effect financing for the Village, Finder's agreement is terminated; 3) and that Finder is not now, nor shall it ever be, an agent of the Village.

It is understood that Finder is acting as a finder only, is not a licensed securities broker or dealer, and shall have no authority to enter into any commitments on the Village's behalf, or to hold any funds or securities in connection with Financing or to perform any act which would require Finder to become licensed as a securities or real estate broker or dealer.

Finder acknowledges that this agreement is non-exclusive in nature and that other persons/entities are working to secure financing for the Village and that the Village will be the final arbiter in determining which entities shall be given credit for locating funding upon which the Village decides to execute. Further, the Finder understands and acknowledges that the Village will require Finder to defer to the decisions of its financial advisor and its attorneys is determining if a lead or contact provided by Finder is to be pursued by the Village. Additionally, Finder, either collectively or via its individual members, shall be required to represent to the Village that it (or they) has no financial interests (direct or indirect) with the provider of the Financing, save the terms of the anticipated transaction.

2. Compensation.

1.75% of the total amount of Financing;

"Financing", as used herein, shall mean all amounts, subject to terms and conditions acceptable to the Village, furnished to or for the use of the Village's general operations and not due until at least 36 months from the closing of the transaction, at an interest rate not to exceed 7.5% per annum provided through Finder, with Investors directed or introduced by, or through the efforts of, Finder after the date of this Agreement, whether by investment in equity or debt securities of the Village or affiliates, loans, loan commitments, credit facilities, or guarantees of indebtedness.

3. Fees.

The fees due Finder as set forth in Section 2 above (the "Finder's Fee") are earned upon closing of the Financing and the Village's receipt of funds. The obligation of the Village to pay the Finder's Fee is wholly contingent upon and shall only become a binding obligation of the Village if the following terms are

met and wholly satisfied: (1) the total sum of money agreed to in the Financing has been actually received by the Village; and (2) all other obligations of Finder and the Investor have been met. All fees shall be paid by bank or cashier's check.

Superseding any other provision of this Agreement, the Parties acknowledge and agree that the Village has the freely exercisable, sole and absolute right to accept or reject any Investor and/or any offer of financing from any Investor brought to the attention of the Village, for any reason or no reason.

No Finder's Fee will be considered earned if the Village rejects an Investor or a financing plan. In the event Finder presents an Investor or a financing plan to the Village and the Village rejects the Investor or the financing plan, for any reason or no reason, the Village will have no obligation whatsoever to Finder, including without limitation, no obligation to pay the Finder's Fee, or any other reimbursement, cost or expense to Finder. Finder acknowledges the foregoing and agrees to abide by the same.

4. Termination.

This Agreement may be terminated in seven (7) days by either party by written notice to the other party in accordance with the notice provisions listed in section 7, but such termination shall not affect the obligation of Village to pay the Finder's Fee as to Financing consummated as a result of the efforts of the Finder, in accordance with the provisions listed in section 2. However, should the Financing be voided for any reason subsequent to closing then the Finder is obligated to return to Village such fees.

5. Accurate Information.

The Village hereby represents and warrants that all information provided to Finder by the Village pertaining to the Village shall be true and correct; and the Village shall hold Finder harmless from any and all liability, expenses or claims arising from the disclosure or use of such information.

Finder hereby represents and warrants that such information that the Finder utilizes in finding the Financing shall be limited to that information provided by the Village and that Finder shall hold the Village harmless from any liability or claims arising from any claims of misrepresentations related to such information or from any action Finder may take that would constitute a violation of securities law and shall indemnify, defend and hold harmless the Village for the same.

In no event shall Finder be liable for any attorneys' fees, court cost, special, incidental, consequential or punitive damages of any nature or for any reason, regardless of the form of action, whether in contract, tort, or otherwise, even if the other party is advised of that possibility.

VILLAGE OF SAUK VILLAGE COOK AND WILL COUNTIES, ILLINOIS

ORDINANCE NO. 09 - 56

AN ORDINANCE GRANTING A LAND USE VARIANCE TO 1777 225th PLACE

WHEREAS, the property located at 1777 225th Place, Sauk Village, Illinois (the "Subject Property") is located in an area zoned R-1 (the "R-1 District"); and

WHEREAS, William M. Pass (the "Applicant") submitted a request to the Village of Sauk Village (the "Village") to construct a barn-style storage shed that is sixteen (16) feet long, ten and seventy-two hundredths (10.72) feet wide and thirteen (13) feet high, totaling one hundred seventy-two (172) square feet in area and including a concrete pier base on the Subject Property (the "Storage Shed"); and

WHEREAS, constructing a storage shed that is greater than twelve (12) feet long, twelve (12) feet wide or ten (10) feet high would not be permitted without a land use variance; and

WHEREAS, to meet the requirements of the Village of Sauk Village Unified Development Code (the "Code"), a land use variance must be granted by the Board of Trustees of the Village (the "Village Board"); and

WHEREAS, in accordance with all applicable public notice requirements contained in the Code, on or about December 7, 2009, the Village's Zoning Board of Appeals/Plan Commission (the "ZBA") met, convened and conducted a public hearing; and

WHEREAS, at the abovementioned hearing, the Applicant provided credible evidence demonstrating that the Applicant needs the Storage Shed to store materials required for his use as a carpenter, making his plight unique under the present circumstances; the Applicant constructed the Storage Shed after a similar shed was constructed on a neighboring property and therefore carrying out the strict letter provisions of the Code would deprive the Applicant of a substantial right enjoyed by the owners of other properties subject to the same provisions; removing the Storage Shed would be very costly and would create a practical difficulty for the Applicant; and the Storage Shed is aesthetically pleasing and is in no way a threat to the continuity of the neighborhood or the general purpose and intent of the Comprehensive Plan of the Village; and

WHEREAS, at the abovementioned hearing, the Applicant provided credible evidence demonstrating that, based on the foregoing, the Subject Property could not yield a reasonable rate of return if limited to the regulations imposed by the Code, that the plight of the owner is unique under the present circumstances and that the variation, if

- granted, would not alter the essential character of the municipality; and
- WHEREAS, at the abovementioned hearing, the ZBA determined that the Applicant's request met the Standards for Issuance of a Variance contained in Section 4.2(D) of the Code; and
- WHEREAS, the ZBA made a recommendation that the land use variance be granted (attached hereto and incorporated herein as Exhibit A are findings of fact made by the ZBA relative to the Subject Property); and
- WHEREAS, pursuant to Section 4.2(C)(3) of the Code, after receiving the recommendation of the ZBA, the Village Board may approve, approve with conditions or deny the application for variations, and may also refer the matter back to the ZBA for further consideration; and
- WHEREAS, the Village Board finds that the land use variance sought by the Applicant meets the requirements set forth in Section 4.2(D) of the Code; and
- WHEREAS, the Village Board finds that it is in the best interests of the Village and its residents to approve the land use variation requested by the Applicant, subject to Sections 2 and 3 of this Ordinance as set forth below;
- **NOW, THEREFORE, BE IT ORDAINED** by the President and the Board of Trustees of the Village of Sauk Village, Cook and Will Counties, Illinois, as follows:
- **SECTION 1**: The statements set forth in the preambles to this Ordinance are true and correct and are adopted as a part of this Ordinance.
- **SECTION 2:** The findings of fact and recommendation of the ZBA are hereby adopted and due to the hardship that the Applicant would suffer without the land use variance, the Village Board grants the zoning relief to the Subject Property.
- **SECTION 3:** The land use variance granted hereunder is subject to the restrictions that were specified by the ZBA. The land use variance shall terminate if the Applicant deviates at all from the plans submitted to the Village. If the Applicant finds that deviation from the submitted plans is necessary, new plans reflecting such deviations must be resubmitted to the ZBA and the Village Board for approval.
- **SECTION 4:** This Ordinance shall not affect suits pending or rights existing at the time this Ordinance takes effect, but such suits and rights shall continue in force to the same extent and with like effect as if this Ordinance be taken, construed or held to avoid or impair any cause of action now existing under any Ordinance of the Village, or any amendment thereto, but as to any consideration of action now existing, such ordinance and amendment thereto, shall be continued in full force and effect.

FINDINGS OF FACT AND RECOMMENDATION OF THE ZONING BOARD OF APPEALS/PLAN COMMISSION

RE: 1777 225th Place, Sauk Village, Illinois 60411 (the "Subject Property")

GRANT OF A LAND USE VARIANCE

On or about December 7, 2009, the Village of Sauk Village Zoning Board of Appeals/Plan Commission (the "ZBA") recommended granting a land use variance to construct a storage shed on the Subject Property, based on the following:

- 1. The Subject Property is located in an area zoned R-1;
- 2. William M. Pass (the "Applicant") submitted a request to the Village of Sauk Village (the "Village") seeking a land use variance to construct a barn-style storage shed that is sixteen (16) feet long, ten and seventy-two hundredths (10.72) feet wide and thirteen (13) feet high, totaling one hundred seventy-two (172) square feet in area and including a concrete pier base (the "Storage Shed") on the Subject Property;
- In accordance with the Illinois Compiled Statutes and the Village of Sauk Village Unified Development Code (the "Code"), notice of the hearing regarding the Applicant's requested zoning relief was published in one or more newspapers published in the Village;
- 4. The Applicant provided credible evidence demonstrating that the Applicant needs the Storage Shed to store materials required for his use as a carpenter, making his plight unique under the present circumstances; the Applicant constructed the Storage Shed after a similar shed was constructed on a neighboring property and therefore carrying out the strict letter provisions of the Code would deprive the Applicant of a substantial right enjoyed by the owners of other properties subject to the same provisions; removing the Storage Shed would be very costly and would create a practical difficulty for the Applicant; and the Storage Shed is aesthetically pleasing and is in no way a threat to the continuity of the neighborhood or the general purpose and intent of the Comprehensive Plan of the Village; and
- 5. The Applicant provided credible evidence showing that: (a) carrying out the strict letter of the provisions of the Code would create a practical difficulty or particular hardship; (b) the Subject Property is exceptional, as compared to other properties subject to the same provisions, by means of a unique physical condition; (c) the aforementioned physical condition is not the result of any action or inaction of the property owner or his/her predecessors in title, and it existed at the time of enactment of the provisions from which a variation was sought, was created by natural forces or was the result of government action; (d) the carrying out of the

strict letter provisions from which a variation is sought would deprive the owner of the Subject Property of substantial rights commonly enjoyed by owners of other properties subject to the same provisions; (e) the alleged hardship or difficulty is neither merely the inability of the owner or occupants to enjoy some special privilege or additional right not available to owners or occupants of other lots or properties subject to the same provisions, nor merely the inability of the owner to gain a greater financial return from the use of the Subject Property; (f) the land use variation would not result in a use of development of the Subject Property that would not be in harmony with the general and specific provisions of the Code, including the provision from which a variation is sought, or the general purpose and intent of the Comprehensive Plan of the Village; (g) there is no means other than granting the requested variation by which the alleged hardship or difficulty can be avoided or remedied to a degree sufficient to permit a reasonable use of the Subject Property; and (h) the requested variation is the minimum measure of relief necessary to alleviate the alleged hardship or difficulty presented by the strict application of the Code.

CONCLUSION

The Applicant showed that the requested land use relief would comply with the requirements set forth in the Code. The Applicant provided evidence showing that the request met the Standards for Issuance of a Variance contained in Section 4.2(D) of the Code, as the Applicant provided credible evidence demonstrating the Applicant needs the Storage Shed to store materials required for his use as a carpenter, making his plight unique under the present circumstances; the Applicant constructed the Storage Shed after a similar shed was constructed on a neighboring property and therefore carrying out the strict letter provisions of the Code would deprive the Applicant of a substantial right enjoyed by the owners of other properties subject to the same provisions; removing the Storage Shed would be very costly and would create a practical difficulty for the Applicant; and the Storage Shed is aesthetically pleasing and is in no way a threat to the continuity of the neighborhood or the general purpose and intent of the Comprehensive Plan of the Village. Based on the foregoing, the ZBA recommends granting a land use variance to construct the Storage Shed at the Subject Property.

Lewis Towers, Village President Village of Sauk Village 21801 Torrence Avenue Sauk Village, IL 60411-4561

Dear Village President Towers:

We are pleased to offer you the opportunity to renew your coverage with the Illinois Municipal League Risk Management Association (IMLRMA), effective 12/31/09 to 12/31/10. Enclosed, please find the invoice for your 2010 renewal contribution.

We offer you three options for making your payment: 1) Mail your payment by November 20, 2009 and save 1% off of your annual contribution; 2) Pay your "normal" contribution by December 11, 2009; or 3) Pay 51% by December 11, 2009 and another 51% by June 11, 2010.

We want to remind you of the many benefits you receive, both tangible and intangible, for your membership in IMLRMA:

- You'll never worry about whether we're on your side or whether we might put the interests of other public entities, commercial businesses, stockholders, or global conglomerates above your interests. IMLRMA is the only carrier that is "owned" solely by Illinois cities, towns, and villages, and we are 100% dedicated to you.
- Your budget allocation for your IMLRMA contribution is stable and predictable. Our program won't require you to make mid-year budget changes to make up for surprise billings and high deductibles.
- ♦ You can send your employees home safely to their families every night and ensure the safety of your community for your residents by taking advantage of -- at no extra charge -- our loss control and safety services and training.
- Our claims services help you return to your pre-loss condition as soon as possible and works hard to get your employees back to work as soon as possible.
- We are here for the long haul. We don't come and go with the commercial marketplace winds. We've been here for nearly 30 years with a track record of loyal members that have grown from 48 to more than 780.

At IMLRMA, we take very seriously our service commitments to you and we are working hard on your behalf. Here are just a few of the ways that IMLRMA has serviced our members in the past year:

- We logged over 150,000 miles visiting our 785 members in person.
- We made nearly 2,000 service and loss control visits to our members.
- We conducted more than 850 loss-control-specific trainings,
- We educated and trained nearly 7,000 member employees and supervisors.

During the year ahead, we will continue demonstrating the value of your IMLRMA membership.

On behalf of everyone at IMLRMA, we thank you for again making the IMLRMA your choice for professional risk management services. If you have any questions concerning your contribution and coverages, or if would like to take advantage of the services available in IMLRMA, please contact us at 1-800-252-5051 and speak to Julia Reynolds (extension 1199) or Katie Lund (extension 1111).

Cordially yours,
