WHEREAS, Cook County's Real Property Assessment Classification Ordinance (the "Classification Ordinance") provides for the classification of real properties located in Cook County, Illinois for real estate tax assessment purposes; and

WHEREAS, the Classification Ordinance allows for a classification known as Class 8 (the "Class 8 Designation") for commercial or industrial property within areas designated by the Cook County Assessor conditioned upon certain findings and approvals of the municipality governing the property; and

WHEREAS, the Classification Ordinance allows for a classification known as Class 8 (the "Class 8 Designation") for commercial or industrial property within townships targeted by the South Suburban Tax Reactivation Program (the "Program"), conditioned upon certain findings and approvals of the municipality governing the property; and

WHEREAS, the development of the project (the "Development Project") in the Village of Sauk Village, Cook County, Illinois (the "Village") originally qualified for and was granted the Class 8 Designation because it was intended to be a commercial development located within the corporate limits of the Village, and the Village is located in Bloom Township one, of the targeted townships as designated by the Program; and

WHEREAS, the Class 8 Designation resulted in a substantial reduction of the real estate taxes levied against such commercial or industrial property by reducing the assessment level for the property to 10 percent of market value for the initial 10 years after the development is completed, 20 percent of market value for the 11th year after completion and 25 percent of market value for the 12th year after completion; and

WHEREAS, the Village's Mayor and Board of Trustees (collectively, the "Corporate Authorities") find that the development of the Development Project continues to provide a great benefit the Village by, among other things, increasing the real estate tax base of the Village, providing job opportunities for Village residents and, the fact that the Development Project is a commercial enterprise, it continues to generate retailers' occupation tax revenues to the Village; and

WHEREAS, the Corporate Authorities find that but for the Village's consent to and support the **renewal** application of the Class 8 Designation for the Development Project, the Development Project would not be able to continue operations in the same beneficial and successful manner in the Village causing an economic hardship to both the Project and the Village; and

WHEREAS, it is therefore in the best interests of the Village to support, approve of and consent to the **renewal** of the Class 8 Designation of the Development Project;

NOW THEREFORE BE IT ORDAINED, by the Mayor and the Board of Trustees of the Village of Sauk Village, Cook County, Illinois, as follows:

SECTION 1: The statements set forth in the preamble to this Ordinance are true and correct and are adopted as part of this Ordinance.

SECTION 2: The Village finds that the development of the Project (as depicted on the Map attached hereto as Exhibit A and incorporated herein by reference) upon the property legally described on Exhibit B, attached hereto and incorporated herein by reference, is consistent with the overall plan for rehabilitation of the Village. The Village supports, approves of and consents to the **renewal** Class 8 Designation for the Development Project.

SECTION 3: The Village's Mayor is authorized and directed to execute any documents and take any other action necessary to implement the provisions of and intent of this Ordinance. The Village Clerk is authorized and directed to attest to the Mayor's signature on such documents, as necessary.

SECTION 4: This Ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law. If any provision of this Ordinance is held invalid by a court of competent jurisdiction, that provision shall be stricken from this Ordinance and the remaining provisions shall continue in full force and effect to the extent possible.

WHEREAS, on June 11, 2002, the Board of Trustees of the Village (the "Village Board") and the Village Mayor, who is also the President of the Village Board, (the "President" and with the Village Board, the "Corporate Authorities") passed and approved an ordinance designated as Ordinance No. 02-24 (the "Bond Ordinance"), which provided for the borrowing of money and the issuance of General Obligation Tax Increment Refunding Bonds, Series 2002A, of the Village, in an amount not to exceed Nine Million, Seven Hundred Fifty-Five Thousand and No/100 U.S. Dollars (\$9,755,000.00) and General Obligation Capital Appreciation Bonds (Tax Increment Alternate Revenue Source), Series 2002B, of the Village, in an amount not to exceed Five Million and No/100 U.S. Dollars (\$5,000,000.00) (collectively, the "Bonds"); and

WHEREAS, Article XVIII of the Bond Determination provides for the levy of taxes in the Village's tax levy year 2015 sufficient to provide Two Million, Twenty Six Thousand, Eight Hundred Sixty Two and 50/100 U.S. Dollars (\$2,026,862.50) for the purpose of paying the principal of and/or the interest on the Bonds; and

"As part of the plan of financing of the Parity Bonds, it is intended and anticipated that tax revenues deposited in the TIF No. II Special Tax Allocation Fund and the TIF No. III Special Tax Allocation Fund be transferred to the Bond Fund and used to abate the taxes hereby levied. Unless otherwise directed by ordinance, the Treasurer of the Village shall deposit from the TIF No. II Special Tax Allocation Fund and the TIF No. III Special Tax Allocation Fund the amount of tax revenues available which shall result in taxes to be abated, and such deposit shall be made prior to any such abatement being filed with the County Clerks of the Counties of

Cook and Will, Illinois, as the tax extension officers for the Village. No taxes will be abated unless and until the full amount of such abatement has been deposited irrevocably into the Bond Fund and dedicated to the payment of such Parity Bonds.”

; and

WHEREAS, since the Village has received documentation from the Trustee (as defined in the Bond Ordinance) certifying that funds are available to pay the principal of and interest on the Bonds and those funds are or will be on deposit in the Bond Fund (as defined in the Bond Ordinance), the Corporate Authorities are required by the Bond Ordinance to abate the levy described above and to cause proper notification of that abatement to be filed with the County Clerks of Cook County and Will County, Illinois; and

All applicable provisions of the Illinois Compiled Statutes, including the Illinois Municipal Code, as may be amended from time to time, relating to the purpose of this Ordinance are incorporated herein by this reference.

ORDINANCE NUMBER 16-009

AN ORDINANCE OF THE VILLAGE OF SAUK VILLAGE, COOK AND WILL COUNTIES, ILLINOIS SUPPORTING THE RENEWAL OF A CLASS 8 REAL ESTATE TAX ASSESSMENT CLASSIFICATION FOR 21701 SOUTH MARK COLLINS DRIVE

WHEREAS, the President and Board of Commissioners of the County of Cook have enacted an ordinance known as the Cook County Real Property Assessment Classification Ordinance, as amended from time to time (the “*Classification Ordinance*”), which provides for a tax assessment incentive classification designed to encourage development throughout Cook County by offering a real estate tax incentive for the development of new facilities, the rehabilitation of existing structures and the utilization of abandoned buildings in order to create employment opportunities and expand the tax base; and

WHEREAS, Icon Pac Owner Pool 2, LLC (the “*Owner*”) owns a certain parcel of property within the Village commonly known as 21701 S. Mark Collins Dr., Sauk Village, Illinois, identified by the permanent index number (PIN) 32-26-201-005-0000 and hereinafter legally described on Exhibit A, a copy of which is attached hereto and made a part hereof (the “*Property*”); and

WHEREAS, Owner has requested that the Mayor and Board of Trustees of the Village of Sauk Village (the “*Corporate Authorities*”) support and consent to the renewal of its Cook County Class 8 Real Estate Tax Assessment Classification for the Property, as said term is defined in the Classification Ordinance (the “*Class 8 Tax Assessment Classification*”), and as previously authorized by the Corporate Authorities on November 23, 2004 by Ordinance No. 04-42, a copy of said authorizing document is attached hereto and made a part hereof, as Exhibit B;

and

WHEREAS, the adoption of an ordinance by the Corporate Authorities is required and must be filed by Owner with its renewal application with the County of Cook in order for the Property to maintain its Class 8 Tax Assessment Classification; and

WHEREAS, Owner is an important entity in the Village whose economic viability is dependent on the continued Class 8 Tax Assessment Classification; and

WHEREAS, to ensure the ongoing viability of the facility, the continuation of numerous employment positions in the Village and to safeguard the tax base of the Village, the Corporate Authorities have determined that it is necessary and in the best interests of the Village to approve the renewal of the Class 8 Real Estate Tax Assessment Classification for the Property.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and the Board of Trustees of the Village of Sauk Village, Cook and Will Counties, Illinois, as follows:

Section 1. That the above recitals and legislative findings are found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

Section 2. The Corporate Authorities find that the continuing economic viability of the Property is necessary and appropriate for the community and that without a Class 8 Tax Assessment Classification the Property would be underutilized and cause blight in the area surrounding the Property.

Section 3. The Corporate Authorities find that the Class 8 Tax Assessment Classification incentive program established by the County of Cook is necessary for the ongoing commercial use and habitability of the Property, which is the subject of this Ordinance.

Section 4. The Corporate Authorities support and consent to the filing of a Class 8 Tax

Incentive Eligibility Renewal Application by the Applicant and Owner of the Property, which is legally described on Exhibit A.

Section 5. If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity thereof shall not affect any other provision of this Ordinance.

Section 6. All ordinances, resolutions, motions or orders in conflict with this Ordinance are hereby repealed to the extent of such conflict.

Section 7. This Ordinance shall be in full force and effect upon its passage, approval and publication as provided by law.

Explanations

COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.

EXPLANATION OF CLASSES

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

WILL COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

(PUBLIC ACT 099-0604)**

WHEREAS, the Village of Sauk Village, Cook and Will Counties, Illinois (the “Village”), is a duly organized and existing municipal corporation created under the provisions of the laws of the State of Illinois and under the provisions of the Illinois Municipal Code, as from time to time supplemented and amended; and

WHEREAS, Public Act 099-0604 established the Local Government Travel Expense Control Act (the “Act”), which requires all non-home rule units of local government to adopt by resolution or ordinance a policy governing reimbursement of all travel, meal, and lodging expenses of officers and employees; and

WHEREAS, by the Mayor and Board of Trustees of the Village find it to be in the best interest of the Village to adopt a policy so that is in accordance with the Act;

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Board of Trustees of the Village of Sauk Village, Cook and Will Counties, Illinois as follows:

SECTION 1. That the above recitals and legislative findings are found to be true and correct and are hereby incorporated herein and made a part hereof, as if fully set forth in their entirety.

SECTION 2. That Section 2.181 (“Expense Reimbursement Policy”) of Division 1 (“Generally”) of Article IV (“Officials and Employees”) of the Code of Sauk Village is hereby

created by adopting the following policy governing reimbursement of all travel, meal, and lodging expenses in lieu thereof:

Sec. 2-181 Expense Reimbursement Policy

A. Purpose.

The Board of Trustees will reimburse employee and officer travel, meal, and lodging expenses incurred in connection with pre-approved travel, meal, and lodging expenses incurred on behalf of the Village of Sauk Village. Employees and officers are expected to exercise the same care in incurring expenses for official business as a prudent person would in spending personal funds.

B. Definitions.

“Entertainment” includes, but is not limited to, shows, amusements, theaters, circuses, sporting events, or any other place of public or private entertainment or amusement, unless ancillary to the purpose of the program or event.

“Travel” means any expenditure directly incident to official travel by employees and officers of the Village of Sauk Village or charges of the Village of Sauk Village involving reimbursement to travelers or direct payment to private agencies providing transportation or related services.

C. Authorized Types of Official Business.

Travel, meal and lodging expenses shall be reimbursed for employees and officers of the Village only for purposes of official business conducted on behalf of the Village, which includes, but is not limited to off-site or out-of-town meetings related to official business and pre-approved seminars, conferences and other educational events related to the employee’s or officer’s official duties.

D. Maximum Allowable Expenses.

Maximum Expenses – Travel, meal, and lodging expenses incurred by any employee or official must not exceed \$750.00 unless otherwise approved in an open meeting by a majority roll-call vote of the Board of Trustees.

Airfare – Travelers are expected to obtain the lowest available airfare that reasonably meets business travel needs. Travelers are encouraged to book flights at least thirty (30) days in advance to avoid premium airfare pricing. Only coach or economy tickets will be paid or reimbursed.

Personal Automobiles – Travelers must check to see if an agency vehicle is available before asking for approval to use their personal vehicles. Use of a personal vehicle for business must be approved prior to the use. Mileage reimbursement will be based on mileage from the work location office to the off-site location of the official business, not from the employee's or officer's residence unless said distance from the employee's or officer's residence is less than the mileage from the work location office to the off-site location. When attending a training event or other off-site official business directly from an employee's or officer's residence, no reimbursement will be made if the distance is less than the mileage of a normal commute to the workplace. An employee or officer will be reimbursed at the prevailing IRS mileage rate. The traveler will only be reimbursed up to the price of a coach airfare ticket if they drive to a location for which airfare would have been less expensive.

Automobile Rentals – Travelers will be reimbursed for the cost of renting an automobile including gasoline expense only as limited in this section. Travelers using rental cars to conduct official business are required to purchase insurance through the rental agency or provide proof of personal insurance equivalent to the rental agencies insurance. Car rental insurance will cover the vehicle during personal use, e.g., using the vehicle after the conference has ended. Compact or mid- size cars are required for two or fewer employees or officers traveling together and a full- size vehicle may be used for three or more travelers. The traveler must refuel the vehicle before returning it to the rental company.

Tolls – The Village will reimburse an employee for incidental tolls associated with approved travel.

Public Transportation – In the case of local training or official business where an employee or officer chooses to use public transportation, reimbursement for use of public transportation will be made upon documentation of a paid receipt. When attending training or business directly from an employee's or officer's residence, no reimbursement will be made if the distance is less than the mileage of a normal commute to the workplace. If the distance is higher than the traveler's normal commute, reimbursement will be paid at the differential of the commute less the mileage of a normal commute to the workplace.

Hotel/Motel Accommodations – The traveler will be reimbursed for a standard single-room at locations convenient to the business activity. In the event of a change in plans or a cancellation, the traveler must cancel the hotel/motel reservation so as not to incur cancellation charges. Cancellation charges will not be reimbursed by the Village unless approved by a vote of the Board of Trustees.

Meals – Receipts must substantiate the cost of the meals. If the destination city is an area of high cost, the Village Manager may approve reasonable expenditures in excess of the established rate of \$40.00 per day. No payment or reimbursement may be made for personal supplies, alcoholic beverages, or entertainment. If some meals are included in

the prepaid registration fees, the employee or officer of the Village may not be reimbursed for those meals.

Vacation in Conjunction with Business Travel – In cases where vacation time is added to a business trip, any cost variance in airfare, car rental, lodging and/or any other expenses must be clearly identified on the Travel, Meal, and Lodging Expense Report form and paid by the traveler.

Accompanied Travel – When a traveler is accompanied by others not on official business, any lodging, transportation, meals or other expenses above those incurred for the authorized traveler will not be reimbursed by the Village of Sauk Village.

Parking – Parking fees at a hotel/motel will be reimbursed only with a receipt.

E. Approval of Expenses.

Travel, meal, and lodging expenses that are in excess of the maximum \$750.00 incurred by any employee must be previously approved in an open meeting by a majority roll-call vote of the Board of Trustees.

Travel, meal, and lodging expenses incurred by any member of the Board of Trustees must be approved by roll call vote at an open meeting of the Board of Trustees.

Travel, meal, and lodging expenses advanced as a per diem to any employee or any member of the Board of Trustees must be approved by roll call vote at an open meeting of the Board of Trustees prior to payment. Documentation of expenses must be provided in accordance with Sections C, D and F of this policy, and any excess from the per diem must be repaid.

F. Documentation of Expenses.

Before an expense for travel, meals, or lodging may be approved under Section E of this Policy, the following minimum documentation must first be submitted, in writing, to the Board of Trustees on a Travel, Meal, and Lodging Expense form:
