Mayor Marva
Campbell-Pruitt

Supt. of Schools
Dr. Donna Leak

Library Director
Rosie Williams-Baig

As we close out the March Women's Month, we proudly celebrate and recognize the extraordinary women leaders of Sauk Village whose dedication, vision, and service continue to shape and strengthen our community.

We honor Mayor Marva Campbell-Pruitt for her leadership and commitment to progress. We commend School Superintendent Dr. Donna Simpson Leak for her unwavering focus on educational excellence and Library Director Rosie Williams-Baig for fostering knowledge, access, and community engagement.

We also recognize our Village Clerk, Debbie Williams, and the six Municipal Trustees: Aretha Burns, Raven Johnson, Tyesha Jones, Diane Sapp, Michelle Sterling, and Dr. Tonyia Winston. We continue by recognizing the Community Consolidated Schools District 168 School Board President, Tammy Jones; the McConathy Public Library District President, Mary Thompson; all women serving on the School and Library District Boards; and the Women of the Sauk Village Commissioner Boards. Your leadership, insight, and service are vital to Sauk Village's growth and success.

**FROM THE DESK OF
VILLAGE CLERK DEBBIE WILLIAMS**

As April showers become May flowers, so does the renewal of village stickers and pet tags occur.

Starting May 1st, you can purchase your new stickers or pet tags from 8am to 5pm Monday - Friday at the Sauk Village Municipal Center. All

fees and discounts have remained the same.

April is our annual Student Government Day on April 28th at 7pm in the rotunda. All are welcome!

Also on the horizon is the May Mother/ Son Dance and the June Father/ Daughter Dance.

I am seeking community minded residents to join the Clerk 's Community Connection committee. Bring in your fresh thoughts and ideas on how make a difference in our community!

Please email me at dwilliams@saukvillage.org for volunteering opportunities and to register for website and email updates.

**YOU are the BEST part of SAUK VILLAGE.
One for All and All for One!!**

Spring is Here!!

Hi, My Sauk Village Residents!

April is a reminder that growth begins with connection and communication. And one of the most important things we can do as a community is listen to one another. Every voice, every concern, and every idea helps with the future of Sauk Village.

As your Trustee, I am always committed to ensuring that residents are not only heard, but also respected, acknowledged, and follow-up with transparency and accountability.

This month, I am excited to continue building that connection through community action.

Neighborhood Block-by-Block Cleanup Initiative

We will be working together to uplift our neighborhoods one block at a time. I'm looking forward to trying this initiative again this year. This initiative is about pride, unity, and taking small steps that lead to real, visible progress throughout our Village.

Neighborhood Block Clubs (In Development)

I am also exploring the creation of neighborhood block clubs to strengthen communication, increase community engagement, and empower residents to work together on the issues that matter most where they live.

These efforts are rooted in a simple belief:

Strong communities are built when neighbors connect, communicate, and take action together. Remember there is strength in numbers.

I encourage everyone to stay engaged, stay informed, and please do not stop being part of the conversation.

"Your Voice is the power"

— Trustee Michelle Sterling

SAUK VILLAGE PERMIT INFORMATION GUIDE

What Residents Need to Know

Do I Need a Permit?
Let's Make It Simple.

PROJECTS THAT REQUIRE PERMITS	MAY NOT NEED A PERMIT* <small>*Always Confirm With Village</small>
<ul style="list-style-type: none"> ✓ Roofing & Siding ✓ Electrical Work ✓ Plumbing ✓ HVAC Systems ✓ Structural Changes ✓ Fences Over 4 Feet ✓ Driveways / Concrete Work <p style="text-align: center;"><i>When in doubt – ASK FIRST!</i></p>	<ul style="list-style-type: none"> ✓ Painting ✓ Minor Repairs ✓ Landscaping
	<p>IMPORTANT REMINDERS</p> <ul style="list-style-type: none"> ✓ Must follow Village Codes ✓ Licensed contractors required ✓ Inspections are necessary ✓ No Permit? You could face: <ul style="list-style-type: none"> ✓ Fines ✓ Delays ✓ Stop-Work Orders

HOW TO GET A PERMIT

Public Works Productivity Monthly
Report for March 2026

Presented By: John Conway
Acting Public Works Director
Board Meeting March 24, 2026

1. Streets & Roads

- a. Public works is working with contractors to receive quotes to repair sections of sidewalks, curbs, asphalt & driveway aprons that were disturbed during infrastructure repairs done in previous months & years.
- b. Public Works crews have been in areas filling in multiple potholes.
- c. Public Works is working on quotes for street repaving of Carol Street
- d. Public Works have been out paper picking areas, approximately 8 bags of trash picked up.
- e. Public Works collected all election signs after March 17th.

2. Water and Sewer Operations

- a. Public Works has handled 7 water main breaks.
- b. Public Works has handled 6 B-box repairs.
- c. Public Works is working with Metro & Robinson on securing funding & quotes to upgrade air strippers and Scada system.
- d. Public works are working with vendors and water operating companies to get to the bottom of water meter reading issues, we just had a meeting yesterday and this is one of my top priorities.

3. Facilities and Equipment

- a. Leaf pick up has been on going, if public works has not been to your area please be patient, Public Works apologies for the delay.
- b. Sweeper Truck repairs have been completed, waiting on delivery of the truck.
- c. Public Works finished servicing all police patrol vehicles.
- d. Public Works finished servicing all public work vehicles.
- e. Public Works serviced all mowing equipment for upcoming season.

4. Storms

- a. Public Works salted roadways once.
- b. Public Works crews were out 3 times during rain and windstorms clearing storm drains.

- c. 4 trees fell and were removed by contractor, and stumps were grinded down.
- d. Public Works crews have been out picking up branches from storms and will continue doing so...

Upcoming public works projects

- Finish FY26 budget.
- Securing a bucket truck
- Receiving quotes for 2 new plow trucks, the older trucks are on their last leg.
- Securing manpower for the department. Summer help and full-time employees.
- Securing new riding mowers for grass cutting.
- Dirt and seed restorations.
- Storm sewer repairs.
- Providing a new leaf policy for the village.

Public Works Department 2026 Village Schedule

Street Sweeping

The street sweeping schedule for the 2026 season will be as follows:

The week begins April , May , June , July , August , September , and October .

Sweeping in the month of November will follow our leaf pickup program. All sweep dates can change due to manpower and emergencies.

If additional sweepings are necessary, notification will be posted on the Marquee located on Sauk Trail at the corner of Cornell Ave and the village website.

The ordinance prohibits parking on the streets between the hours of 6:00 A.M. and 4:00 P.M. during the day of your garbage pickup.

Hydrant Flushing

Hydrants will be flushed in the following sections of town on the specified dates.

April 13, 14 - South Side of town; south of Sauk Trail & west of Torrence extending to Deer Creek.

May 4, 5 - North Side of town; north of Sauk Trail extending to Carlisle Estates

June 1,2 - Eastern section of town; located east of Torrence & south of Sauk Trail

July 6, 7 - South Side of town; south of Sauk Trail & west of Torrence extending to Deer Creek

August 6, 7 - North Side of town; north of Sauk Trail extending to Carlisle Estates

September 7,8- Eastern Section of town; located east of Torrence & south of Sauk Trail

October 5, 6 - South Side of town; south of Sauk Trail & west of Torrence extending to Deer Creek

Actual flushing will begin at 8 A.M. and continuing through the day, all unflushed hydrants will be completed the next day.

Tree Limb Pickup

The first pickup for the 2026 season will be the 1st week (Monday- Friday) of the following months, May-October begins Monday, May 1, and end on Friday, October 6th.

Residents are asked to have limbs out no later than Sunday before the 1st Monday of the month.

The final pickup for the 2026 season will begin Monday, October 26 and end Friday, October 30th at 2 PM.

Residents are asked to have limbs out no later than Sunday, the day before the 1st Monday of May-October.

Remember to bundle small branches and to stack branches neatly in the same direction as this speeds the tree limb pickup. There will be no branches picked up after these dates no

Exceptions. Any questions concerning the pickup dates please call Village Hall (758-3330) Monday through

Friday 9:00 A.M. to 5:00 P.M. If there is a special pickup it will be posted on the village Marquee and website.

Leaf Sweep Program

The leaf pickup program will begin November 2nd until December 4th. Our final pickup will begin November 30th; crews will be out picking up each section on garbage day,

THEY WILL NOT COME BACK AFTER THIS PASS.

All dates are subject to change contingent on the leaf drop each year. Village Ordinance prohibits parking on the streets between the hours of 6:00 A.M. and 4:00 P.M. during the day of your garbage pickup. Thanks for your participation.

Bulk Item Pick-Up

Residents are allowed one bulk item per week.

Fire Chief Keith Damm

SAUK VILLAGE
• FIRE DEPARTMENT •

Sauk Village Fire Department
Monthly Report: March 2026

Calls for Service

During this reporting period, the Sauk Village Fire Department responded to a total of 174 calls for service, broken down as follows:

- Structure Fires: 9
- Vehicle Fires: 1
- Brush/Field Fires: 2
- Motor Vehicle Accidents (10-50s): 4
- Emergency Medical Service (EMS) Calls: 130
- Fire Alarm Activations: 13
- Carbon Monoxide (CO) Alarms: 5
- Odor Investigation/Investigations: 2
- Power Lines Down: 1
- Cancelled while enroute: 7

The department continues to demonstrate a strong commitment to rapid response, operational efficiency, and professional service to the residents of Sauk Village.

Training and Professional Development

The Fire Department continues daily training, reflecting our continued emphasis on readiness and professional growth.

Training topics included:

- Fit Testing
- Salvage and Overhaul
- Ladders
- Forcible Entry
- Target-Hazard familiarization: Walk-through of NuFarm.

Target-Hazard Familiarization: Walk-through of NuFarm/Ryder

Our department along with our Auto-Aid partners are participating in three days of familiarization training at NuFarm/Ryder on March 23-25. As part of the training, the facility

Safety Coordinator is showing our firefighters the location of fire protection systems, the types and amounts of chemicals used and stored in the plant and location of doors, giving our firefighters a view of the inside of the structure before an emergency.

Community Safety Outreach

As we move into spring, please remember to keep your home fire-safe by cleaning dryer vents, checking smoke and carbon monoxide alarms, and safely disposing of yard debris. Warmer weather also means more outdoor grilling, remember to keep grills at least 10 feet from structures and never leave them unattended.

Free Smoke Detectors

The Sauk Village Fire Department currently has free smoke detectors available for Sauk Village residents. The smoke detectors provided by the Sauk Village Fire Department in partnership with the Illinois Fire Safety Alliance have a 10-year battery that does not require changing.

Residents in need may contact the Fire Department to obtain detectors and request installation assistance if necessary.

Spring Safety Message – Fire Pits

As residents begin enjoying outdoor gatherings this spring, the Fire Department encourages everyone to practice safe fire-pit use. Keep fire pits at least ten feet from homes, garages, decks, and fences, and always place them on a stable, non-combustible surface. Use only dry, seasoned firewood and never use gasoline, lighter fluid, or yard debris. Remember to keep a garden hose or extinguisher nearby in case embers escape. Fires should be attended at all times and fully extinguished before leaving the area. **On windy days, residents should avoid using fire pits altogether, as strong gusts can carry embers and increase the risk of unintended fires.** A few simple precautions go a long way in keeping our community safe as the weather warms. We appreciate the community's continued vigilance as we transition toward spring and remain committed to keeping Sauk Village safe.

Closing

The Sauk Village Fire Department extends its gratitude to our residents, village leadership, and dedicated personnel for their continued support. As we move from the end of March into April, we wish everyone a safe and steady transition into the spring-cleaning season. Thank you for helping us keep our community prepared, resilient, and protected.

Working Smoke Detectors Save Lives

As your Fire Chief, one of my most important responsibilities is making sure every family in Sauk Village has the tools they need to stay safe. Over the years, I've seen firsthand how quickly a fire can spread and how a working smoke detector can make the difference between a close call and a tragedy. Early warning truly saves lives, and it's something I want every household in our community to have.

That's why the Sauk Village Fire Department is proud to offer **free smoke detectors with 10-year sealed batteries** to all Sauk Village residents. These detectors come to us through our partnership with the **Illinois Fire Safety Alliance**, and our firefighters will install them for you at no cost.

Why This Matters So Much

- **Most fatal home fires happen at night.** When families are asleep, smoke spreads long before flames are visible. A working detector gives you the precious seconds you need to escape.
- **Homes without working smoke detectors face far greater risk.** National fire data shows that functioning detectors cut the chance of dying in a home fire nearly in half.
- **Modern fires burn faster than ever.** Synthetic materials and open-concept layouts mean fires grow rapidly. Early detection is your best defense.
- **A 10-year sealed battery means long-term protection.** No more battery changes, no more chirping alarms, just reliable safety for a full decade.

We're Here to Help

If you don't have working smoke detectors, your current smoke detectors are 10 years old or older, or if you're unsure if your smoke detectors are working properly, please reach out to us at 708-758-2225. Our team will come to your home, install the detectors properly, and make sure everything is functioning before we leave.

This program is more than a service; it's part of our commitment to protecting the people we serve. Your safety is our priority, and I want every family in Sauk Village to have the peace of mind that comes with knowing their home is protected.

On behalf of the Village of Sauk Village and the Sauk Village Fire Department, thank you for allowing us to serve you. Stay safe and let us help keep your family and your home protected.

Police Chief Mack Sanders

March Board Report

The Police Department answered 521 calls for service and had twelve arrests for the reporting period.

The Police Department had the following online training classes offered through Police Law Institute:

“Driving Under the Influence”

Also reporting two separate shooting incidents which resulted in loss of life. Task Force activated to assist.

Community Development Dept. - Interim Director Hilda Fernandez

Community Development Department is working diligently on getting Business License packages out to our local businesses. To date we hand delivered to half of the Retail businesses, and will hand deliver the rest on Thursday, with Manufacturing, Warehouse and trucking to follow next week.

In addition, we have issued 36 building permits. With the change in weather, we are seeing an influx of building permits applications.

Our inspections on Occupancy, both Rental and Occupied, have continued to be steady, at 26, in addition to the building permit inspections.

Also, code enforcement observed several people working without permits and issued Stop Work Orders. Permits are mandatory in Sauk Village.

We have also observed a multitude of Cut, tree limbs, branches and trees and the curb. It is the resident's responsibility for removal. The village only removes storm related fallen vegetation.

Tickets and fines will begin being issued for code violations.

That concludes my report.

EMBRACE THE
